

# Public Land Auction

Allegan, Berrien, Cass, Van Buren

*August 27th, 2025*

Allegan (Dnr), Allegan, Berrien, Cass, and Van Buren Counties

***Location:***

Online  
[www.tax-sale.info](http://www.tax-sale.info)

***Time:***

Auction: 10:00am EDT to 07:00pm  
EDT

*Printed information is subject to change up to the auction start time. Please check each lot listing closely for updates.*

**Follow us on Facebook for the latest updates:**  
**[www.facebook.com/taxsaleinfo](http://www.facebook.com/taxsaleinfo)**

There are two ways to bid in our auctions:

**ONLINE AT WWW.TAX-SALE.INFO**

**-or-**

**ABSENTEE BID**

(For those who have *no* computer access. Please call for assistance)

For **registered users**, our website features:

- **Photos** and detailed descriptions of properties (where available)
- **GPS/GIS** location of the property
- **Maps** of the property vicinity (where available)
- **Google Maps links** to satellite images of the area and street views of the property and neighborhood (where available)
- **Save properties** to your personalized “favorites” list
- **Personalized Auction Feed** with live updates on parcels in which you have placed a bid(s)

We have a short window to review several thousand parcels prior to listing them on our website. We began inspecting properties in May and release catalogs county by county as they become available. Please be patient and **check back often** for updates. Parcels are sold "as is" based on the assessed legal description only. All other information in this salebook or listed on our website, though reliable to the best of our knowledge, is provided as unverified reference and is not guaranteed to be accurate. You should verify this information with your own research and investigation prior to bidding.

**CREATE YOUR ACCOUNT TODAY AT**  
**[WWW.TAX-SALE.INFO](http://WWW.TAX-SALE.INFO)**

# Visiting and viewing property BEFORE auction:

The auction list furnished in this salebook contains property that *may* be offered. Please keep checking the catalog on our website as the auction date approaches as some parcels may be removed from the list for a variety of reasons.

**You are NOT AUTHORIZED to enter any buildings**, even if they are unlocked or open to access. Entering a tax auction property to “see it” is considered breaking and entering (a criminal offense). Please limit your review to looking through the windows and other external inspections. We will post exterior and interior photos on the website and provide other commentary whenever possible.

Entering properties (even vacant land) can be dangerous due to unknown conditions of structures and land. **You assume all liability for injuries and other damage** if you choose to visit these lands.

Properties may be occupied or “being watched” by former owners or neighbors sympathetic with former owners. Occupants are often unknown and could potentially be volatile, unstable or “anti- government” persons. Even vacant land presents potential for conflict.

Some properties still contain the personal property of former owners (including vehicles, furnishings, appliances etc). These items are not sold at our auctions. We are only selling the real estate (land) and whatever is attached to it (buildings and other permanent fixtures).

- **You are not authorized to remove ANY “personal” property, “scrap” metal or fixtures from auction parcels. This is considered theft and will be prosecuted.** We often ask neighbors to watch property for theft and vandalism and report this to local police.
- **Property is sold “as-is” in every respect.** Please check zoning, building code violation records, property boundaries, condition of buildings and all local records available to the public.
- **There are no refunds and no sale cancellation at the buyer’s request.**
- **Information offered on the website or in the salebook is deemed reliable but is not guaranteed.** We suggest reviewing the records of the local assessor’s office to be sure that what we are selling is what you think it is. **We sell by the legal description only.**
- **You should consider obtaining professional assistance** from land surveyors, property inspection companies or others if you have questions about property attributes.

**PLEASE REMEMBER that property lists can change up to the day-of-auction.**

# Paying for your Auction Purchases

- **The full purchase price must be paid in full within 5 business days of the sale.** No purchases can be made on a time-payment plan.
- No cash or personal checks will be accepted.
- All payments must be made with a **Credit/Debit Card, Wire Transfer, or by certified (cashier's) check.**
- Your sale is not complete until we've received both your payment and your notarized receipt and buyer's affidavit paperwork. This is also due 5 business days from the date of the sale.
- When mailing in your paperwork (especially with a certified check), please use a trackable service like Priority Mail, FedEx, or UPS to ensure timely, verified delivery.

## Bidding Authorization

- Online and absentee bidding requires a **\$1,000 pre-authorization hold** on a Visa, MasterCard, or Discover credit card before any bids will be accepted. Alternatively, bidders can mail in a \$1,000 certified funds deposit if a credit card is unavailable. A buyer's failure to consummate an online or absentee purchase will result in the forfeiture of this \$1,000.
  - *Your card is not charged unless you win, however the hold may reduce your available credit until it is released by your credit card issuer (usually 30 days).*

## Absentee bidding

- If you do not have internet access, **you can submit an absentee bid by calling us.** You will still need to pre-authorize a \$1000 deposit on a major credit card (or mail in a \$1000 certified check deposit). Contact us at 1-800-259-7470 for more information.
  - *Your card is not charged unless you win, however the hold may reduce your available credit until it is released by your credit card issuer (usually 30 days).*

## 2025 AUCTION SCHEDULE

All Auctions are ONLINE ONLY

Schedule is subject to change – Please see [www.tax-sale.info](http://www.tax-sale.info) for the latest information

## **Important Information Regarding Rules and Regulations**

**The Rules and Regulations immediately following this page are applicable to the following catalogs listed on this page which are included as part of this auction. These Rules and Regulations are not applicable to sales made on behalf of the Michigan Department of Natural Resources. Specific DNR rules are listed elsewhere in this document where applicable.**

- Allegan
- Berrien
- Cass
- Van Buren

# Rules and Regulations

## 1. Registration

You must create an online user account at [www.tax-sale.info](http://www.tax-sale.info) in order to bid at an auction. You should create such an account no less than 48 hours prior to the auction in which you wish to participate to ensure that your account is active and authorized in time to bid. Before any bids will be accepted, you must also provide a deposit by authorizing a \$1000 pre-authorization on a Visa, MasterCard, or Discover credit card or by tendering \$1,000 in certified funds to the Auctioneer.

## 2. Properties Offered

### A. Overview

**"Foreclosing Governmental Unit" ("FGU")** is a term used by the Michigan tax foreclosure statute and is typically the office of the County Treasurer in the county where the offered property is located. However, in some instances the FGU is the State of Michigan Department of Treasury.

Unless otherwise noted, the "Seller" is the County Treasurer, acting as the "FGU". The Auctioneer is Title Check, LLC acting as the authorized agent of the Seller/FGU.

The attached list of parcels has been approved for sale at public auction and each is identified by a sale unit number. The Seller reserves the right to pull parcels from the sale at any time prior to the auction.

According to state statutes, **ALL PRIOR** liens (other than certain DEQ liens and other limited exceptions), encumbrances and taxes **are cancelled** by Circuit Court Order. The FGU has attempted to include in the minimum bid, liens that have accrued since foreclosure, such as nuisance or water bills; **all other outstanding bills since foreclosure are the responsibility of the buyer**. These properties are subject to any state, county, or local zoning or building ordinances. The FGU does not guarantee the usability or access to any of these lands.

### B. Know What You Are Buying

It is the **responsibility of the prospective purchaser to do THEIR OWN RESEARCH** as to the suitability of any offered property for any intended purpose. The FGU and the Auctioneer make no warranty, guaranty, or representation of any kind concerning, but not limited to, the merchantability of title, boundary lines, location of improvements, availability of land divisions, easements or right to access by public street, utility presence or location, or any other physical, structural, or legal condition regarding any parcel offered for sale.

Prospective buyers should, prior to the auction, **personally visit and inspect any offered property** they wish to purchase. However, prior to purchase at the auction, **STRUCTURES MAY NOT BE ENTERED** without the **WRITTEN PERMISSION** of the FGU. Some structures may be occupied and occupants should not be disturbed.

### C. Reservations

At the sole option of the FGU, a reverter clause may be included in any deed issued to a winning bidder which prohibits the future severing of mineral rights (if any) and/or splitting/subdividing any purchased property into smaller parcels which do not meet local zoning rules or otherwise comply with applicable regulations relating to the splitting of property. If such a reverter clause is included, a violation thereof will result the property reverting to the FGU without refund.

Pursuant to state statutes, where the State of Michigan Department of Treasury is acting as Seller/FGU, deeds issued may contain the following reservations and stipulations:

- *"Excepting and reserving to the State of Michigan, all aboriginal antiquities including mounds, earthworks, forts, burial and village sites, mines or other relics and also reserving the right to explore and excavate for the same, by and through its duly authorized agents and employees, pursuant to the provisions of Part 761, Aboriginal Records and Antiquities, of the Natural Resources and Environmental Protection Act, Act 451 of the Public Acts of 1994, MCL 324.76101 to 324.76118 as amended."*
- *"Saving and reserving unto the People of the State of Michigan the rights of ingress and egress over and across all of the above-mentioned descriptions of land lying along any watercourse or stream, pursuant to the provisions of Part 5, Act 451, P.A. 1994, as amended, MCL 324.503, as amended."*

Additionally, the State may, in its discretion, reserve the mineral rights to offered property as follows:

- *"Saving and excepting and always reserving unto the said State of Michigan, all mineral, coal, oil and gas, lying and being on, within or under the said lands whereby conveyed, except sand, gravel, clay or other nonmetallic minerals with full and free liberty and power to the said State of Michigan, its duly authorized officers, representatives and assigns, and its or their lessees, agents and workmen, and all other persons by its or their authority or permission, whether already given or hereafter to be given at any time and from time to time, to enter upon said lands and take all usual, necessary, or convenient means for exploring, mining, working, piping, getting, laying up, storing, dressing, make merchantable, and taking away the said mineral, coal, oil and gas, except sand, gravel, clay or other nonmetallic minerals."*

If the State does not reserve mineral rights as described above, the State may nonetheless restrict the severance of mineral rights from offered property as follows:

- *"This conveyance hereby restricts the Grantee from severing oil, gas, mineral and other subsurface rights from the surface rights any time in the future. If the Grantee severs the subsurface rights from the surface rights, the subsurface rights will revert to the State of Michigan."*

### 3. Bidding

#### A. Overview

##### Live Bidding Auctions:

First round minimum bid auctions, unless otherwise specifically noted, include live bidding. Bidding at live bidding auctions is divided into two phases:

##### i. Advance Bidding

Advance Bidding begins **thirty days before the posted auction start time**. During Advance Bidding, you can place and modify bids in any way that you see fit. You can increase, decrease, or delete bids entirely during Advance Bidding. You will be able to see your maximum bid but will not be able to see the current high bid price or what other users have bid during this time. Advance bidding **ends at the designated start time which is listed for the applicable auction** and the Active Bidding phase then begins.

##### ii. Active Bidding

Active Bidding begins **at the designated start time which is listed for the applicable auction and continues until the designated end time**. Active Bidding is the interactive phase of the auction process. During active Bidding, you will be able to see the current high bid price and whether or not you are the high bidder. You will also be able to see whether you have been outbid. During active Bidding you can place new bids or increase bids **but cannot delete or decrease your bid amount**. When making a bid during Active Bidding, you are committing to pay up to your maximum bid amount so bid carefully and accordingly. Active Bidding **concludes at the designated end time which is listed for the applicable auction. All bidding ends promptly at the listed end time for the applicable auction**. Bidding *is not* extended beyond the listed end time regardless of bidding activity.

All bids placed during Advance and Active bidding are maximum bids. The auction system will automatically bid on your behalf up to your maximum bid amount as applicable based upon competition from other bidders. Bidding activity can be very high during the final minutes of the auction. Entering your maximum bid and allowing the system to bid up to that maximum, as opposed to manually bidding one increment at a time, helps ensure that you aren't outbid in the final moments of the sale simply because you were unable to manually enter an additional bid before time expires.

After the listed end time passes, the sale will be awarded to the individual bidding the highest amount equal to or greater than the starting bid.

##### Sealed Bid Auctions:

Second round no-minimum sales, unless otherwise specifically noted, are conducted by sealed bid. Bidding at sealed bid auctions opens approximately thirty days before the final bidding deadline. While bidding is open, you can place and modify bids in any way that you see fit. You can increase, decrease, or delete bids entirely during this time. **Your best and final bid must be entered prior to the posted final bidding deadline at which point bidding CLOSES and all bids are locked**. You can see your own bids while bidding is open but the current high bid price is not visible. **Once the posted bidding deadline passes, final winning bids are calculated and awarded by the award date posted for the auction in question**. The sale will be awarded to the individual bidding the highest amount equal to or greater than the starting bid. All bids placed at sealed bid auctions are maximum bids. The auction system will automatically bid on your behalf up to your maximum bid amount at the time final winning bids are calculated as applicable based upon competition from other bidders.

#### B. Starting Bid Price

The starting bid prices are shown on the online lot description page for each sale unit as well as on the list included in the sale book. At auctions with a minimum bid, no sales can be made for less than the starting price indicated. The starting bid for no-minimum-bid sales will be at the discretion of the FGU.

However, any person who held an interest in a property offered for sale at the time a judgment of foreclosure was entered against such property **must pay at least minimum bid** for such property even if purchased at a no-minimum auction.

#### C. Bid Increments

Bids will **only** be accepted in the following increments:

<u>Bid Amount</u>	<u>Increment</u>
\$100 to \$999	\$ 50.00
\$1000 to \$9999	\$ 100.00
Over \$10,000	\$ 250.00

#### D. Eligible Bidders

Any person who meets the following requirements may register as a bidder:

- The person does not directly or indirectly hold more than a minimal legal interest in any property with delinquent property taxes which is located in the county in which the person intends to purchase property.
- The person is not directly or indirectly responsible for any unpaid civil fines for a violation of any ordinance, including but not limited to any ordinance authorized by section 4/ of The Home Rule City Act, 1909 PA 279, as amended, MCL 117.4/, in the local tax collection unit in which the person intends to purchase property.
- The person has not been banned or otherwise excluded by the FGU from participation in the public sale and is not acting on behalf of another who has been banned or excluded.

Any person unable to attend the sale can be represented at the sale by an agent or other representative with authority to bid and otherwise represent the person. However, any party utilizing an agent to bid on their behalf must still meet the above listed requirements. **The registered bidder is legally and financially responsible for all parcels bid upon whether acting on their own behalf or as the agent of another.**

#### E. Absentee Bidding

Prospective bidders who do not have internet access or who are otherwise unable to bid on their own may bid by Absentee bid. Absentee bidders must meet all eligibility and other requirements of these Rules and Regulations. Absentee bids will be accepted in increments up to the amount pre-approved by the absentee bidder. Absentee bids require a \$1,000 pre-authorization on a major credit card or a \$1,000 deposit before the bid will be accepted. Absentee bids must be submitted 48 hours prior to the date of the auction by calling 1-800-259-7470.

#### F. Auction Location

Auctions are conducted online through [www.tax-sale.info](http://www.tax-sale.info). An auction may be conducted in-person with simultaneous online bidding as determined by the FGU.

#### G. Bids are Binding

A bid accepted at public auction through [www.tax-sale.info](http://www.tax-sale.info) is a legal and binding contract to purchase. The FGU reserves the right to reject any or all bids.

#### H. Limitations on Bidding

The FGU and Auctioneer reserve the right to limit the number of bids placed per auction for any bidder or group of bidders for any reason.

#### I. Attempts to Bypass These Rules and Regulations

The FGU and Auctioneer reserve the right to reject the bids of any bidder who appears to be acting on behalf of another person who is ineligible to bid on their own.

### 4. Terms of Sale

#### A. Payment

- **The full purchase price must be paid in full WITHIN 5 BUSINESS DAYS OF THE SALE.** Payment may be made by certified funds, money order, Visa, MasterCard, Discover, or wire transfer. No purchases can be made on a time-payment plan.
- If a buyer fails to consummate a purchase for any reason, their sale will be cancelled and the buyer will be assessed liquidated damages in the amount of \$1000 for breach of contract. Seller may collect this liquidated damages assessment from any funds tendered by buyer prior to cancellation and may collect any remaining unpaid liquidated damages assessment using the deposit described in paragraph 1 above.

The full purchase price consists of the final bid price *plus* a buyer's premium of 10% of the bid price, any outstanding taxes due on the property including associated fees and penalties, and a \$30.00 deed recording fee. ***Any portion of the purchase price paid by credit card will be assessed an additional fee of 2.75%.***

#### B. Refund Checks

In some instances it may be necessary to refund to a buyer some or all of the payment tendered by such buyer. This can occur, for example, when a buyer tenders certified funds in an amount greater than their total obligation or if the sale is cancelled under any provision of these Rules and Regulations. Refund checks will be processed and mailed to buyer within approximately ten days of the time such refund becomes due to buyer. Buyer shall cash such refund check within 90 days of the date listed on such refund check. If buyer fails to cash such refund check within 90 days, such refund check shall become void and buyer shall forfeit any refunded amount.

#### C. Dishonored Payment

A buyer whose payment is dishonored for any reason will have their sale cancelled and will be assessed liquidated damages in the amount of \$1000. Seller may retain any portion of the purchase price which was tendered and not dishonored up to \$1000 to apply toward such liquidated damages assessment. Seller may collect any remaining unpaid liquidated damages assessment using the deposit described in paragraph 1 above.

**Furthermore, the FGU may seek to prosecute any buyer whose payment is dishonored or who fails to consummate a purchase.**

Any buyer who fails to consummate a purchase for any reason will be banned from bidding at all future land auctions.

The buyer's premium is not subject to any broker fees. There are no co-brokerage or other fees or rebates available.

#### D. Eligible Buyers

In order to take title to purchased property, each party that will be listed on the deed must meet **ALL of the following requirements at the time their winning bid is accepted:**

- i. The party does not directly or indirectly hold more than a minimal legal interest in any property with delinquent property taxes which is located in the county in which the purchased property is located
- ii. The party is not directly or indirectly responsible for any unpaid civil fines for a violation of any ordinance, including but not limited to any ordinance authorized by section 4/ of The Home Rule City Act, 1909 PA 279, as amended, MCL 117.4/ in the local tax collection unit in which the purchased property is located.

- iii. The party is not purchasing, for less than minimum bid, any property in which the party held an interest at the time a judgment of foreclosure was entered against such property nor is the party purchasing property, for less than minimum bid, on behalf of any other party who held such an interest.
- iv. The party has not been banned or otherwise excluded by the FGU from participation in the public sale and is not owned or controlled by a person or entity that has been banned or excluded.

At the time payment is tendered after the auction, the buyer will be required to execute an affidavit affirming, **under penalty of perjury**, that each party that the buyer desires to have listed on the deed to purchased property meets the above requirements.

The FGU **will not issue a deed** and the sale will be canceled if the buyer or any party that the buyer seeks to list on the deed does not meet the eligibility requirements outlined in this section at the time the buyer's bid was accepted, the buyer fails to execute this affidavit, or if any affirmations made in this affidavit are untrue. If the FGU is forced to cancel any sale due to the buyer's noncompliance with this provision, the buyer will be banned from participating at all future land auctions and the **buyer will be assessed liquidated damages in the amount of \$1000**. Seller may collect this liquidated damages assessment from any funds tendered by buyer prior to cancellation and may collect any remaining unpaid liquidated damages assessment using the deposit described in paragraph 1 above. Furthermore, the FGU may pursue **CRIMINAL PERJURY CHARGES** against any buyer who makes a false affirmation on the affidavit required under this or any other provision of these Rules and Regulations.

#### **E. Sale to Entities**

In order to ensure that individuals do not utilize legal entities to circumvent the sale and ownership restrictions contained in MCL 211.78m(2), the FGU will only sell property to legal entities under certain circumstances. Any buyer desiring to deed a purchased property to a legal entity must disclose the name and address of all officers, shareholders, partners, members, or other parties, regardless of title, who own any portion of that entity. However, such disclosure will not be required if one or more of the following exceptions are applicable:

- The Entity held a prior recorded interest in each purchased property.
- The Entity is a division, agency, or instrumentality of federal, state, or local government.
- The Entity is a Homeowners Association, Condo Association, or other such organization that exercises control over each purchased property.
- The Entity is a publicly traded company listed on a national securities exchange.
- The Entity is a nonprofit corporation and is qualified as tax exempt under IRC §501.

At the time payment is tendered after the auction, any buyer desiring to deed a purchased property to a legal entity will be required to execute an affidavit affirming, **under penalty of perjury**, that the entity is exempt from disclosure under one of the five exceptions listed above, or in the event that no exception is applicable, the names and addresses of all parties owning any portion of that legal entity.

#### **F. Cancellation Policy**

Prior to the issuance of a deed, the FGU has the right, in its sole discretion, to cancel any sale for any of the following reasons: transfer of the property at issue is stayed or enjoined by a court of competent jurisdiction; any of the reasons outlined in MCL 211.78m(9); the property at issue becomes the subject of litigation; a defect is discovered in the underlying foreclosure or sale procedures relating to the property at issue; any other reason authorized under these Rules and Regulations.

#### **G. Property Transfer Affidavit**

It is the responsibility of the buyer to file a **Property Transfer Affidavit** with the *assessor for the city or township* where the property is located **within 45 days of the transfer**. If it is not timely filed, a **penalty of \$5/day (maximum \$200) applies**. The information on this Property Transfer Affidavit is NOT CONFIDENTIAL.

### **5. Purchase Receipts**

Successful bidders at the sale will be issued a receipt for their purchases during the checkout process. This receipt does not convey an interest in title to the purchased property unless and until a deed has been issued and recorded. Buyers will be entitled to deeds for the property descriptions identified by the sale unit numbers noted on the receipt unless the sale is cancelled under these Rules and Regulations or other statutory authority.

### **6. Title Being Conveyed**

Quit-claim deeds will be issued conveying **only such title as received by the FGU through tax foreclosure**. Title insurance companies may or may not issue title insurance on properties purchased at this sale. The FGU makes no representation as to the availability of title insurance and the **unavailability of title insurance is not grounds for reconveyance to the FGU**. The buyer may incur legal costs for Quiet Title Action to satisfy the requirements of title insurance companies in order to obtain title insurance.

### **7. Special Assessments**

Special assessment installments through the most recent prior tax year are included in the starting bids. Seller has attempted to identify those parcels subject to special assessments with a note on the parcel detail page. Parcels sold are subject to property taxes for the entire current tax year, as well as current and future installments of any outstanding bonded assessments. All bidders should contact the appropriate city, village, or township offices to determine if there are any outstanding bonded assessments for future tax years on the properties being offered.

### **8. Possession of Property**

#### **A. Possession Pending Deed Delivery**

It is recommended that the buyer DOES NOT take physical possession of any purchased property until a deed has been executed and delivered to the buyer. The buyer risks financial loss for any improvements or investments made on purchased property *before the delivery of a deed* in the event that the Foreclosing Governmental Unit exercises their right to cancel the sale. Until the buyer pays for all purchases in full and receives a deed, no activities should be conducted

on the site other than:

**I. Securing the Property**

Buyer should take steps to protect their equity in purchased property **by securing vacant structures against entry and obtaining (homeowners) insurance for occupied property.** Buyer is responsible for contacting local units of government **to prevent possible demolition of structures situated on purchased property.**

**II. Assessing Potential Contamination**

Buyer may immediately wish to conduct a Baseline Environmental Assessment (BEA) to assess the condition of potentially contaminated properties. More information about BEAs can be found at <https://www.michigan.gov/egle/about/organization/remediation-and-redevelopment/baseline-environmental-assessments>

**B. Occupied Property**

**Buyers will be responsible for all procedures and legal requirements for conducting evictions.** Occupants of purchased property should be treated as tenants holding over under an expired lease. This means that legal eviction and/or possession proceedings will be necessary to effectuate control over such property if occupants will not otherwise leave voluntarily. You may wish to consult a licensed attorney for additional guidance. Buyers may not commence eviction proceedings until a deed to the applicable occupied property has been issued by the FGU.

**9. Additional Conditions**

The buyer accepts the premises in its present "as is" condition, and releases the Foreclosing Governmental Unit and employees and agents including the Auctioneer from all liability whatsoever arising from any condition of the premises, whether now known or subsequently discovered, including but not limited to all claims based on environmental contamination of the premises.

A person who acquires property that is contaminated (a "facility" pursuant to Section 20201(1)(1) of Natural Resources and Environmental Act (NREPA), 1994 P.A. 451, as amended) as a result of release(s) of a hazardous substance(s) may become liable for all costs of cleaning up the property and any other properties impacted by the release(s). Liability may be imposed upon the person acquiring the property even in the absence of any personal responsibility for, or knowledge of, the release. Protection from such liability may be obtained by conducting a Baseline Environmental Assessment (BEA) as provided for under Section 20126(1) (c) of NREPA. However, the BEA must be conducted prior to or within 45 days of the earliest date of purchase or occupancy of the property. Persons who acquire contaminated property may have "due care" obligations under Section 20107a of NREPA even if they conduct a BEA and are not liable for the contamination.

Pursuant to part 201 of NREPA, the person(s) responsible for an activity causing a release at the property is obligated to pursue response activities at the property. Consequently, the non-labile purchaser may be required to provide access to the liable party to conduct response activities at the property in the future. Section 20116 of the NREPA requires that a person who has knowledge that their property is contaminated provide a written notice to the purchaser or other person to whom the property is transferred which discloses the general nature and extent of the release. Additional disclosure obligations may also apply at the time the property, or an interest in the property, is transferred. Accordingly, the Foreclosing Governmental Unit recommends that a person who is interested in acquiring property at this auction contact an attorney or an environmental consultant for advice prior to the acquisition of any property that may be contaminated.

**10. Deeds**

**A. Deed Execution and Delivery**

All monies collected will initially be deposited in escrow. Once payment is cleared and verified, funds will be disbursed to the FGU and deeds will be executed and recorded as required by law. The FGU will deliver the deeds to the Register of Deeds for recording and remit them to the buyer after recording is complete. IT CAN TAKE 6 TO 8 WEEKS FOR DEEDS TO ARRIVE. PLEASE BE PATIENT.

**B. Restrictive Covenants**

Some counties sell properties with deed covenants that will attach to the property. These parcels will be noted online, along with the terms being required. **Please carefully review the information for each specific parcel to make sure you understand the terms of sale.**

**11. Property Taxes & Other Fees**

All property taxes and associated fees that have accrued on or after April 1 in the year that a property is auctioned must be paid **at the time of checkout** after the auction along with the final bid price, buyer's premium, and deed recording fee.

Furthermore, please understand that the **buyer is responsible for all other fees and liens that accrue against a property on or after April 1 in the year that a property is auctioned.** These items are not prorated. They include, but are not limited to, municipal utility or ordinance fees, and condo or property owner association fees or dues. This can also include demolition and other nuisance abatement costs. These fees and expenses **are not collected at the auction** and must be paid by the buyer after taking title to any purchased property which is subject to such fees and expenses.

**12. Other**

**A. Personal Property**

Personal property (*items not attached to buildings and lands such as furnishings, automobiles, etc.*) located on offered property or within structures situated on offered property was not taxed as part of the real estate, does not belong to the FGU, and is not sold to the buyer of the real estate in this transaction. You are advised to contact former owners of any purchased property and provide them an opportunity to reclaim contents. A certified and first class mail notice to their last known address is strongly advised. It is your responsibility to identify and properly handle items of personal property. The FGU and Auctioneer make no representations or warranties as to the presence of personal property or as to the legal requirements for dispensing with such property.

**Mobile Homes may be titled separately and considered *personal property*.** It is the buyer's responsibility to determine the legal status of any mobile home located on purchased property. A useful first step could include determining whether an Affidavit of Affixture of Manufactured Home has been executed and recorded as outlined in MCL 125.2330i.

### **B. Mineral Rights**

You will receive any and all title that the FGU obtains via their tax foreclosure through a quit-claim deed. If the owner of the surface rights to the property also owned the mineral rights, those will become part of your title interest. However, this will be subject to the rights of any outstanding leaseholders of oil, gas, mineral or storage rights. You would be obligated to honor the balance of any remaining lease (with automatic renewals if so written). However, if the mineral rights have been severed (split from the surface rights) and are owned by a third party, they have not been foreclosed by the FGU and are not included in the mineral rights conveyed to you. In either instance, the leaseholder still has the right to explore for and/or extract minerals under the terms of any outstanding agreement.

### **C. Applicability of These Rules and Regulations**

All sales are subject to these Rules and Regulations. Furthermore, additional terms and conditions which apply to one or more specific auction lots may be printed in the auction sale booklets and/or online at [www.tax-sale.info](http://www.tax-sale.info) ("**Additional Terms**"). If such Additional Terms apply, they will be listed on the online lot description page and/or in the printed sale book for the lot(s) to which they apply. Such Additional Terms, if existing, shall be considered a part of these Rules and Regulations for the specific auction lots to which they apply. Finally, additional conditions are included on the auction receipt given to the buyer at the time of checkout ("**Terms of Sale**"). All sales are subject to these Terms of Sale as well. These Rules and Regulations, Additional Terms, and Terms of Sale are intended to be compatible. To the extent that a conflict arises between any of these sources, they shall be interpreted in the following order of priority: Additional Terms, Terms of Sale, Rules and Regulations.

These Rules and Regulations are subject to change and should be reviewed frequently.

**NOTE: Please review the terms at the top of each online catalog and the addendum pages in the sale books for county-specific purchase terms. Failure to follow the specific rules posted for each county could result in cancellation of sale and/or the assessment of liquidated damages as provided by these Rules and Regulations.**

## **Important Information Regarding Rules and Regulations**

**The Rules and Regulations immediately following this page are applicable to the following catalogs which consist of parcels owned by the Michigan Department of Natural Resources and which are offered for sale in this auction as part of DNR's surplus lands disposition process:**

- Allegan DNR

# Michigan DNR Land Sales Rules and Regulations

## 1. Registration

You must create an online user account at [www.tax-sale.info](http://www.tax-sale.info) in order to bid at an auction. You should create such an account no less than 48 hours prior to the auction in which you wish to participate to ensure that your account is active and authorized in time to bid. Before any bids will be accepted, you must also provide a deposit by authorizing a \$1000 pre-authorization on a Visa, MasterCard, or Discover credit card or by tendering \$1,000 in certified funds to the Auctioneer.

## 2. Properties Offered

### A. Overview

The attached list of parcels has been approved for sale at public auction by the Michigan Department of Natural Resources (the "DNR"). Each parcel is identified by a sale unit number. The DNR reserves the right to pull parcels from the sale at any time prior to the auction.

Unless otherwise noted, the "Seller" is the DNR. The Auctioneer is Title Check, LLC acting as the authorized agent of the Seller/DNR.

These properties are subject to any state, county, or local zoning or building ordinances. The DNR does not guarantee the usability or access to any of these lands. The properties are sold based upon their LEGAL DESCRIPTION ONLY (Subdivision name and Lot number, or Metes and Bounds measured description). While effort has been made to ensure that the addresses, parcel sizes, maps, and/or photos are accurate, you are relying on your own investigation and information when purchasing this property. All parcels are sold "as is where is" and there are NO REFUNDS.

### B. Know What You Are Buying

It is the **responsibility of the prospective purchaser to do THEIR OWN RESEARCH** as to the suitability of any offered property for any intended purpose. The DNR and the Auctioneer make no warranty, guaranty, or representation of any kind concerning, but not limited to, the merchantability of title, boundary lines, location of improvements, availability of land divisions, easements or right to access by public street, utility presence or location, or any other physical, structural, or legal condition regarding any parcel offered for sale.

Prospective buyers should, prior to the auction, **personally visit and inspect any offered property** they wish to purchase. However, prior to purchase at the auction, **STRUCTURES MAY NOT BE ENTERED** without the **WRITTEN PERMISSION** of the DNR. Some structures may be occupied and occupants should not be disturbed.

### C. Reservations

Pursuant to state statutes, deeds issued may contain the following reservations and stipulations:

- *"Excepting and reserving to the State of Michigan, all aboriginal antiquities including mounds, earthworks, forts, burial and village sites, mines or other relics and also reserving the right to explore and excavate for the same, by and through its duly authorized agents and employees, pursuant to the provisions of Part 761, Aboriginal Records and Antiquities, of the Natural Resources and Environmental Protection Act, Act 451 of the Public Acts of 1994, MCL 324.76101 to 324.76118 as amended."*
- *"Saving and reserving unto the People of the State of Michigan the rights of ingress and egress over and across all of the above-mentioned descriptions of land lying along any watercourse or stream, pursuant to the provisions of Part 5, Act 451, P.A. 1994, as amended, MCL 324.503, as amended."*

Additionally, the DNR may, in its discretion, reserve the mineral rights to offered property as follows:

- *"Saving and excepting and always reserving unto the said State of Michigan, all mineral, coal, oil and gas, lying and being on, within or under the said lands whereby conveyed, except sand, gravel, clay or other nonmetallic minerals with full and free liberty and power to the said State of Michigan, its duly authorized officers, representatives and assigns, and its or their lessees, agents and workmen, and all other persons by its or their authority or permission, whether already given or hereafter to be given at any time and from time to time, to enter upon said lands and take all usual, necessary, or convenient means for exploring, mining, working, piping, getting, laying up, storing, dressing, make merchantable, and taking away the said mineral, coal, oil and gas, except sand, gravel, clay or other nonmetallic minerals."*

If the DNR does not reserve mineral rights as described above, the DNR may nonetheless restrict the severance of mineral rights from offered property as follows:

- *"This conveyance hereby restricts the Grantee from severing oil, gas, mineral and other subsurface rights from the surface rights any time in the future. If the Grantee severs the subsurface rights from the surface rights, the subsurface rights will revert to the State of Michigan."*

## 3. Bidding

### A. Overview

#### Live Bidding Auctions:

DNR auctions, unless otherwise specifically noted, include live bidding. Bidding at live bidding auctions is divided into two phases:

#### i. Advance Bidding

Advance Bidding begins **thirty days before the posted auction start time**. During Advance Bidding, you can place and modify bids in any way that you see fit. You can increase, decrease, or delete bids entirely during Advance Bidding. You will be able to see your maximum bid but will not be able to see the current high bid price or what other users have bid during this time. Advance bidding **ends at the designated start time which is listed**

for the applicable auction and the Active Bidding phase then begins.

**ii. Active Bidding**

Active Bidding begins **at the designated start time which is listed for the applicable auction and continues until the designated end time**. Active Bidding is the interactive phase of the auction process. During active Bidding, you will be able to see the current high bid price and whether or not you are the high bidder. You will also be able to see whether you have been outbid. During active Bidding you can place new bids or increase bids **but cannot delete or decrease your bid amount**. When making a bid during Active Bidding, you are committing to pay up to your maximum bid amount so bid carefully and accordingly. Active Bidding **concludes at the designated end time which is listed for the applicable auction. All bidding ends promptly at the listed end time for the applicable auction**. Bidding *is not* extended beyond the listed end time regardless of bidding activity.

All bids placed during Advance and Active bidding are maximum bids. The auction system will automatically bid on your behalf up to your maximum bid amount as applicable based upon competition from other bidders. Bidding activity can be very high during the final minutes of the auction. Entering your maximum bid and allowing the system to bid up to that maximum, as opposed to manually bidding one increment at a time, helps ensure that you aren't outbid in the final moments of the sale simply because you were unable to manually enter an additional bid before time expires.

After the listed end time passes, the sale will be awarded to the individual bidding the highest amount equal to or greater than the starting bid.

**Sealed Bid Auctions:**

DNR may, at its discretion, conduct an auction by sealed bid. Bidding at sealed bid auctions opens approximately thirty days before the final bidding deadline. While bidding is open, you can place and modify bids in any way that you see fit. You can increase, decrease, or delete bids entirely during this time. **Your best and final bid must be entered prior to the posted final bidding deadline at which point bidding CLOSES and all bids are locked**. You can see your own bids while bidding is open but the current high bid price is not visible. **Once the posted bidding deadline passes, final winning bids are calculated and awarded by the award date posted for the auction in question**. The sale will be awarded to the individual bidding the highest amount equal to or greater than the starting bid. All bids placed at sealed bid auctions are maximum bids. The auction system will automatically bid on your behalf up to your maximum bid amount at the time final winning bids are calculated as applicable based upon competition from other bidders.

**B. Starting Bid Price**

The starting bid prices are shown on the online lot description page for each sale unit as well as on the list included in the sale book. At auctions with a minimum bid, no sales can be made for less than the starting price indicated. The starting bid for no-minimum-bid sales will be at the discretion of the DNR.

**C. Bid Increments**

Bids will **only** be accepted in the following increments:

<u>Bid Amount</u>	<u>Increment</u>
\$100 to \$999	\$ 50.00
\$1000 to \$9999	\$ 100.00
Over \$10,000	\$ 250.00

**D. Eligible Bidders**

Any person who meets the following requirements may register as a bidder:

- The person does not directly or indirectly hold more than a minimal legal interest in any property with delinquent property taxes which is located in the county in which the person intends to purchase property.
- The person is not directly or indirectly responsible for any unpaid civil fines for a violation of any ordinance, including but not limited to any ordinance authorized by section 4/ of The Home Rule City Act, 1909 PA 279, as amended, MCL 117.4/, in the local tax collection unit in which the person intends to purchase property.
- The person has not been banned or otherwise excluded by the DNR from participation in the public sale and is not acting on behalf of another who has been banned or excluded.

Any person unable to attend the sale can be represented at the sale by an agent or other representative with authority to bid and otherwise represent the person. However, any party utilizing an agent to bid on their behalf must still meet the above listed requirements. **The registered bidder is legally and financially responsible for all parcels bid upon whether acting on their own behalf or as the agent of another.**

**E. Absentee Bidding**

Prospective bidders who do not have internet access or who are otherwise unable to bid on their own may bid by Absentee bid. Absentee bidders must meet all eligibility and other requirements of these Rules and Regulations. Absentee bids will be accepted in increments up to the amount pre-approved by the absentee bidder. Absentee bids require a \$1,000 pre-authorization on a major credit card or a \$1,000 deposit before the bid will be accepted. Absentee bids must be submitted 48 hours prior to the date of the auction by calling 1-800-259-7470.

**F. Auction Location**

Auctions are conducted online through [www.tax-sale.info](http://www.tax-sale.info). An auction may be conducted in-person with simultaneous online bidding as determined by the DNR.

**G. Bids are Binding**

A bid accepted at public auction through [www.tax-sale.info](http://www.tax-sale.info) is a legal and binding contract to purchase. The DNR reserves the right to reject any or all bids.

## H. Limitations on Bidding

The DNR and Auctioneer reserve the right to limit the number of bids placed per auction for any bidder or group or bidders for any reason.

## I. Attempts to Bypass These Rules and Regulations

The DNR and Auctioneer reserve the right to reject the bids of any bidder who appears to be acting on behalf of another person who is ineligible to bid on their own.

## 4. Terms of Sale

### A. Payment

- **The full purchase price must be paid in full WITHIN 5 BUSINESS DAYS OF THE SALE.** Payment may be made by certified funds, money order, Visa, MasterCard, Discover, or wire transfer. No purchases can be made on a time-payment plan.
- If a buyer fails to consummate a purchase for any reason, their sale will be cancelled and the buyer will be assessed liquidated damages in the amount of \$1000 for breach of contract. Seller may collect this liquidated damages assessment from any funds tendered by buyer prior to cancellation and may collect any remaining unpaid liquidated damages assessment using the deposit described in paragraph 1 above.

The full purchase price consists of the final bid price *plus* a buyer's premium of 10% of the bid price, any outstanding taxes due on the property including associated fees and penalties, and a \$30.00 deed recording fee. ***Any portion of the purchase price paid by credit card will be assessed an additional fee of 2.75%.***

The full purchase price consists of the final bid price *plus* a buyer's premium of 10% of the bid price, any outstanding taxes due on the property including associated fees and penalties, and a \$30.00 deed recording fee. ***Any portion of the purchase price paid by credit card will be assessed an additional fee of 2.75%.***

### B. Refund Checks

In some instances it may be necessary to refund to a buyer some or all of the payment tendered by such buyer. This can occur, for example, when a buyer tenders certified funds in an amount greater than their total obligation or if the sale is cancelled under any provision of these Rules and Regulations. Refund checks will be processed and mailed to buyer within approximately ten days of the time such refund becomes due to buyer. Buyer shall cash such refund check within 90 days of the date listed on such refund check. If buyer fails to cash such refund check within 90 days, such refund check shall become void and buyer shall forfeit any refunded amount.

### C. Dishonored Payment

A buyer whose payment is dishonored for any reason will have their sale cancelled and will be assessed liquidated damages in the amount of \$1000. Seller may retain any portion of the purchase price which was tendered and not dishonored up to \$1000 to apply toward such liquidated damages assessment. Seller may collect any remaining unpaid liquidated damages assessment using the deposit described in paragraph 1 above.

**Furthermore, the DNR may seek to prosecute any buyer whose payment is dishonored or who fails to consummate a purchase.**

Any buyer who fails to consummate a purchase for any reason will be banned from bidding at all future land auctions.

The buyer's premium is not subject to any broker fees. There are no co-brokerage or other fees or rebates available.

### D. Eligible Buyers

In order to take title to purchased property, each party that will be listed on the deed must meet **ALL of the following requirements at the time their winning bid is accepted:**

- i. The party does not directly or indirectly hold more than a minimal legal interest in any property with delinquent property taxes which is located in the county in which the purchased property is located
- ii. The party is not directly or indirectly responsible for any unpaid civil fines for a violation of any ordinance, including but not limited to any ordinance authorized by section 4/ of The Home Rule City Act, 1909 PA 279, as amended, MCL 117.4/ in the local tax collection unit in which the purchased property is located.
- iii. The party is not purchasing, for less than minimum bid, any property in which the party held an interest at the time a judgment of foreclosure was entered against such property nor is the party purchasing property, for less than minimum bid, on behalf of any other party who held such an interest.
- iv. The party has not been banned or otherwise excluded by the DNR from participation in the public sale and is not owned or controlled by a person or entity that has been banned or excluded.

At the time payment is tendered after the auction, the buyer will be required to execute an affidavit affirming, **under penalty of perjury**, that each party that the buyer desires to have listed on the deed to purchased property meets the above requirements.

The DNR **will not issue a deed** and the sale will be canceled if the buyer or any party that the buyer seeks to list on the deed does not meet the eligibility requirements outlined in this section at the time the buyer's bid was accepted, the buyer fails to execute this affidavit, or if any affirmations made in this affidavit are untrue. If the DNR is forced to cancel any sale due to the buyer's noncompliance with this provision, the buyer will be banned from participating at all future land auctions and the **buyer will be assessed liquidated damages in the amount of \$1000.** Seller may collect this liquidated damages assessment from any funds tendered by buyer prior to cancellation and may collect any remaining unpaid liquidated damages assessment using the deposit described in paragraph 1 above. Furthermore, the DNR may pursue **CRIMINAL PERJURY CHARGES** against any buyer who makes a false affirmation on

the affidavit required under this or any other provision of these Rules and Regulations.

### E. Cancellation Policy

At its sole discretion, the DNR reserves the right to cancel any sale at any time up until delivery of the deed.

### F. Property Transfer Affidavit

It is the responsibility of the buyer to file a **Property Transfer Affidavit** with the *assessor for the city or township* where the property is located **within 45 days of the transfer**. If it is not timely filed, **a penalty of \$5/day (maximum \$200) applies**. The information on this Property Transfer Affidavit is NOT CONFIDENTIAL.

## 5. Purchase Receipts

Successful bidders at the sale will be issued a receipt for their purchases during the checkout process. This receipt does not convey an interest in title to the purchased property unless and until a deed has been issued and recorded. Buyers will be entitled to deeds for the property descriptions identified by the sale unit numbers noted on the receipt unless the sale is cancelled under these Rules and Regulations or other statutory authority.

## 6. Title Being Conveyed

Quit-claim deeds will be issued conveying **only such title as is possessed by the DNR at the time of sale**. Title insurance companies may or may not issue title insurance on properties purchased at this sale. The DNR makes no representation as to the availability of title insurance and the **unavailability of title insurance is not grounds for reconveyance to the DNR**. The buyer may incur legal costs for Quiet Title Action to satisfy the requirements of title insurance companies in order to obtain title insurance.

## 7. Special Assessments

Parcels sold are subject to property taxes that become due and payable on or after the day of auction, as well as current and future installments of any outstanding bonded assessments. All bidders should contact the appropriate city, village, or township offices to determine if there are any outstanding bonded assessments for future tax years on the properties being offered.

## 8. Possession of Property

### A. Possession Pending Deed Delivery

It is recommended that the buyer DOES NOT take physical possession of any purchased property until a deed has been executed and delivered to the buyer. The buyer risks financial loss for any improvements or investments made on purchased property *before the delivery of a deed* in the event that the DNR exercises its right to cancel the sale. Until the buyer pays for all purchases in full and receives a deed, no activities should be conducted on the site other than:

#### I. Securing the Property

Buyer should take steps to protect their equity in purchased property **by securing vacant structures against entry and obtaining (homeowners) insurance for occupied property**. Buyer is responsible for contacting local units of government **to prevent possible demolition of structures situated on purchased property**.

#### II. Assessing Potential Contamination

Buyer may immediately wish to conduct a Baseline Environmental Assessment (BEA) to assess the condition of potentially contaminated properties. More information about BEAs can be found at <https://www.michigan.gov/egle/about/organization/remediation-and-redevelopment/baseline-environmental-assessments>

### B. Occupied Property

**Buyers will be responsible for all procedures and legal requirements for conducting evictions**. Occupants of purchased property should be treated as tenants holding over under an expired lease. This means that legal eviction and/or possession proceedings will be necessary to effectuate control over such property if occupants will not otherwise leave voluntarily. You may wish to consult a licensed attorney for additional guidance. Buyers may not commence eviction proceedings until a deed to the applicable occupied property has been issued by the DNR.

## 9. Additional Conditions

The buyer accepts the premises in its present "as is" condition, and releases the DNR and employees and agents including the Auctioneer from all liability whatsoever arising from any condition of the premises, whether now known or subsequently discovered, including but not limited to all claims based on environmental contamination of the premises.

A person who acquires property that is contaminated (a "facility" pursuant to Section 20201(1)(1) of Natural Resources and Environmental Act (NREPA), 1994 P.A. 451, as amended) as a result of release(s) of a hazardous substance(s) may become liable for all costs of cleaning up the property and any other properties impacted by the release(s). Liability may be imposed upon the person acquiring the property even in the absence of any personal responsibility for, or knowledge of, the release. Protection from such liability may be obtained by conducting a Baseline Environmental Assessment (BEA) as provided for under Section 20126(1) (c) of NREPA. However, the BEA must be conducted prior to or within 45 days of the earliest date of purchase or occupancy of the property. Persons who acquire contaminated property may have "due care" obligations under Section 20107a of NREPA even if they conduct a BEA and are not liable for the contamination.

Pursuant to part 201 of NREPA, the person(s) responsible for an activity causing a release at the property is obligated to pursue response activities at the property. Consequently, the non-labile purchaser may be required to provide access to the liable party to conduct response activities at the property in the future. Section 20116 of the NREPA requires that a person who has knowledge that their property is contaminated provide a written notice to the purchaser or other person to whom the property is transferred which discloses the general nature and extent of the release. Additional disclosure obligations may also apply at the time the property, or an interest in the property, is transferred. Accordingly, the DNR recommends that a person who is interested in acquiring

property at this auction contact an attorney or an environmental consultant for advice prior to the acquisition of any property that may be contaminated.

## 10. Deeds

### A. Deed Execution and Delivery

All monies collected will initially be deposited in escrow. Once payment is cleared and verified, funds will be disbursed to the DNR and deeds will be executed and recorded as required by law. The DNR will deliver the deeds to the Register of Deeds for recording and remit them to the buyer after recording is complete. IT CAN TAKE 6 TO 8 WEEKS FOR DEEDS TO ARRIVE. PLEASE BE PATIENT.

## 11. Property Taxes & Other Fees

All property taxes that become due and payable on or after the day of auction will be the responsibility of the buyer. The buyer **is responsible for all other fees and liens that accrue against the property on or after the day of the auction.** These items include, but are not limited to, municipal utility or ordinance fees and condo or property owner association fees or dues. This can also include demolition and other nuisance abatement costs. These fees and expenses are not collected at the auction and must be paid by the buyer after taking title to any purchased property which is subject to such fees and expenses.

## 12. Other

### A. Personal Property

Personal property (*items not attached to buildings and lands such as furnishings, automobiles, etc.*) located on offered property or within structures situated on offered property was not taxed as part of the real estate, does not belong to the DNR, and is not sold to the buyer of the real estate in this transaction. You are advised to contact former owners of any purchased property and provide them an opportunity to reclaim contents. A certified and first class mail notice to their last known address is strongly advised. It is your responsibility to identify and properly handle items of personal property. The DNR and Auctioneer make no representations or warranties as to the presence of personal property or as to the legal requirements for dispensing with such property.

**Mobile Homes may be titled separately and considered *personal property*.** It is the buyer's responsibility to determine the legal status of any mobile home located on purchased property. A useful first step could include determining whether an Affidavit of Affixture of Manufactured Home has been executed and recorded as outlined in MCL 125.2330i.

### B. Applicability of These Rules and Regulations

All sales are subject to these Rules and Regulations. Furthermore, additional terms and conditions which apply to one or more specific auction lots may be printed in the auction sale booklets and/or online at [www.tax-sale.info](http://www.tax-sale.info) ("**Additional Terms**"). If such Additional Terms apply, they will be listed on the online lot description page and/or in the printed sale book for the lot(s) to which they apply. Such Additional Terms, if existing, shall be considered a part of these Rules and Regulations for the specific auction lots to which they apply. Finally, additional conditions are included on the auction receipt given to the buyer at the time of checkout ("**Terms of Sale**"). All sales are subject to these Terms of Sale as well. These Rules and Regulations, Additional Terms, and Terms of Sale are intended to be compatible. To the extent that a conflict arises between any of these sources, they shall be interpreted in the following order of priority: Additional Terms, Terms of Sale, Rules and Regulations.

These Rules and Regulations are subject to change and should be reviewed frequently.

**NOTE: Please review the terms at the top of each online catalog and the addendum pages in the sale books for sale-specific purchase terms. Failure to follow the specific rules posted for each sale could result in cancellation of sale and/or the assessment of liquidated damages as provided by these Rules and Regulations.**

Located in the Martin Public School District. Residential Land Use Code: 401. Approximately 165 feet of road frontage along 114th Ave and extends roughly ~264 feet deep. The land consists of grassy open space and mixed trees. Easily traversable. Sits between a home to the West and LOT#7214 to the East. Ranch style home built in 1964. Roughly 40'x30'. The house is showing its age but there is a lot of potential here. Large storage barn behind the home with large car port. Gas meter removed. Electric meter still hooked up but disconnected. A/C unit and Generator on side of home. Generac Transfer switch hooked up to the 100 amp breaker box. Shingled roof doesn't look bad and didn't see any leaks inside. The interior of the home is outdated. Pine walls throughout. Furnace and water heater still intact but the cast iron drainage pipes have rusted and burst. The basement did not appear wet during visit. The barn behind the home is in good shape. Slab foundation looks solid with minor cracking. Vinyl siding in decent shape and shingled roof looks fine. Plenty of space to raise a family. Overall this is a nice property. It will require some repairs and renovations but most homes do. We don't see to many of these at the auctions. Don't miss out on your chance! <b>Additional Disclosures:</b> 21 (see key for full text)</p> <p><b>Summer Tax Due:</b> \$529.44</p>	374 114TH AVE PLAINWELL	\$13,500.00
7216	<p><b>Parcel ID:</b> 16-300-046-00; <b>Legal Description:</b> LOTS 46 &amp; 47 SPECTACLE LAKE ESTATES SEC 29 &amp; 32 T3N R13W. <b>Comments:</b> Approximately 0.36 acres. Located in the Allegan Public School District. Residential Land Use Code: 402. No observed structures. Approximately 140 feet of road frontage along lake Dr. The West portion of the property borders a channel that leads to Little Spectacle Lake. Pretty neat spot tucked away in the woods. This is a great opportunity for an adjacent land owner to increase their property size as well as an ideal setting for a new build. Very thick vegetation. Not an easy traverse. It looks like the adjacent land owner has cleaned up a small section of the property and has some personal property parked on it. Difficult to determine property line. Do your due diligence. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. The main floor has a lot of living space and could be converted into another bedroom. The bathroom is old and the toilet has been removed. Bathtub should be replaced. Water heater and furnace in the basement. Water heater is not hooked up and rusty. There is an older water heater still in the basement. Mix of stone and block foundation. Stone is cracking and showing its age but looks good for being 145 years old! The exterior of the home actually looks decent but there are some areas that need attention. The back side of the roof is sagging quite bad but there weren't any major leaks seen inside the home. Shingled roof should be replaced. The interior will need a complete renovation. There is a lot of DIY stuff going on in here but nothing major. Just poorly maintained. The land consists of grassy open space with some bushes and a tree along the West side of the property. Easily traversable. There is a small metal shed behind the home that has seen better days. Sits between a church parking lot and the United State Post Office. Gravel dirt driveway on the South side of the house. This house has potential but it will require a good amount of work. Please be prepared. <b>Additional Disclosures:</b> 21 (see key for full text) <b>Summer Tax Due:</b> \$1,995.26	218 COURT OTSEGO	\$24,900.00
7232	<b>Parcel ID:</b> 12-438-008-00; <b>Legal Description:</b> LOT 8 BLK 38 LOWER SCOTT LAKE SUBDIVISION 4 SEC 3 T1N R15W. <b>Comments:</b> Approximately 0.05 acres. Located in the Fennville Public School District. Residential Land Use Code: 401. The property is located on a platted subdivision road however the road itself has not yet been constructed, and direct access to the lot was not possible at the time of last visit. There is 29 feet of legal road frontage on Maryland Avenue in the Lower Scott Lake Subdivision 4. Plat map provided in photos for reference. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. Electric and phone are in the area but are not established on this portion of unimproved road. Land consists of deciduous forest. Possible association fees. <b>Additional Disclosures:</b> 8 (see key for full text) <b>Summer Tax Due:</b> TBA		\$750.00

Located in the Allegan Public School District. Residential Land Use Code: 402. This appears to be a gap lot. Small triangular property between the house and Jenner Dr. The land consists of open grassy space. Terrain challenged. Too small to build. This is a great opportunity for an adjacent landowner to increase their property size. There's not much else you can do with this other than use it as a yard. This is an interesting parcel, please do your due diligence before placing a bid. <b>Additional Disclosures:</b> 9; 23; 44 (see key for full text) <b>Summer Tax Due:</b> TBA</p>		\$750.00
9997217	<p><b>Parcel ID:</b> 16-300-048-00; <b>Legal Description:</b> LOTS 48-91 ALSO LOT 96 SPECTACLE LAKE ESTATES SEC 29 &amp; 32 T3N R13W. <b>Comments:</b> Approximately 10.79 acres. Located in the Allegan Public School District. Residential Land Use Code: 402. No observed structures. This is a large parcel that is made up of 45 individual lots in the Spectacle Lake Estates Subdivision. Plat map provided in photos for reference. This is a beautiful property that runs along Little Spectacle Lake to the West. The far North section of this property, specifically lot 96 has water front on Big Spectacle Lake. There are small channels built into the lake front that provides the individual lots more water frontage. This lot has a ton of potential for the right buyer. Could be a great spot to start a new development. The land consists of deciduous forest, woody wetlands, developed open space, and open water. This property offers a peaceful, secluded setting for anyone who enjoys nature and water. There are many trails that run all throughout the property. Some debris and leftover camping supplies. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. Association fees are likely. <b>Additional Disclosures:</b> 16; 30; 41 (see key for full text) <b>Summer Tax Due:</b> TBA</p>	ALLEGAN	\$2,250.00
9997218	<p><b>Parcel ID:</b> 16-300-094-00; <b>Legal Description:</b> LOTS 94 95 97-137 INCLUSIVE SPECTACLE LAKE ESTATES SEC 29 &amp; 32 T3N R13W. <b>Comments:</b> Approximately 7.50 acres. Located in the Allegan Public School District. Residential Land Use Code: 402. This is a large parcel that is made up of 43 individual lots in the Spectacle Lake Estates Subdivision. The property is located on a platted subdivision road however the road itself has not yet been constructed. There is legal road frontage on Lake Dr in the Spectacle Lake Estates Subdivision. Plat map provided in photos for reference. Road access is available. The paved road stops just as you reach the property line and turns into a smaller dirt/grass trail. It wouldn't take a great deal of work to establish a real road. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. Electric and phone are in the area but are not established on this portion of unimproved road. This is a beautiful property that has a small amount of water frontage on Big Spectacle Lake. Water frontage is on lots 94 and 95. Little Spectacle Lake to the South. The land consists of deciduous forest, woody wetlands, developed open space. This property offers a peaceful, secluded setting for anyone who enjoys nature and water. There are multiple trails running throughout the property. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. Association fees are likely. <b>Additional Disclosures:</b> 8; 16 (see key for full text) <b>Summer Tax Due:</b> TBA</p>	ALLEGAN	\$4,050.00
9997221	<p><b>Parcel ID:</b> 16-300-198-00; <b>Legal Description:</b> LOTS 198 &amp; 199 SPECTACLE LAKE ESTATES SEC 29 &amp; 32 T3N R13W. <b>Comments:</b> Approximately 0.40 acres. Located in the Allegan Public School District. Residential Land Use Code: 402. No observed structures. Approximately 60 feet of road frontage along Moore Dr and ~159 feet along Grant Dr. There was a gate on the road that leads to this property but it is accessible. Part of the Spectacle Lake Estates Subdivision. Plat map provided in photos for reference. Association fees are likely. The land consists of deciduous forest and appears level. Sits just East of Little Spectacle Lake. This is a great opportunity for an adjacent land owner to increase their property size as well as an ideal setting for a new build. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. <b>Additional Disclosures:</b> 16 (see key for full text) <b>Summer Tax Due:</b> TBA</p>	ALLEGAN	\$1,100.00

10045	<p><b>Parcel ID:</b> 12-022-004-00; <b>Legal Description:</b> Commencing at the center of Section 22 thence West on the E &amp; W 1/4 line 993.32 feet to POB of this description thence West on the 1/4 line 157 feet thence North 1387.26 feet thence East 157 feet thence South 1387.26 feet to POB. <b>Comments:</b> The subject property is a forested vacant 5-acre parcel that is surrounded by 3 private landowners. The parcel has legal road access on the north side of 105th Avenue east of the 54th Street intersection about 3.5 miles southeast of Pullman MI. Most of the property is composed of excessively drained sandy soils with 0 to 6% slopes. Lee Township does not have zoning information available online. Tax records indicate that the property is zoned within the Rural Residential District. Interested buyers should contact Lee Township regarding permitting if interested in building on the subject property. Property dimensions are 157 ft (east-west) X 1387.26 ft (north-south). <b>Additional Disclosures:</b> 42; 75 (see key for full text)</p> <p><b>Summer Tax Due:</b> TBA</p>		\$30,000.00

10046	<p><b>Parcel ID:</b> 17-019-005-00; <b>Legal Description:</b> That part of NW1/4 of the NW1/4 lying N of Hwy <b>Comments:</b> The subject property is a vacant 20-acre triangular parcel that is surrounded by 4 private landowners. The parcel is located east of the 105th Avenue and 24th Street intersection, about 5 miles west of Otsego, MI. The property has approximately 1,600 feet of frontage on 105th Avenue, which is the western property line. Most of the property is composed of well drained loamy fine sandy soils with 2 to 12% slopes. The parcel is zoned within the AG Agriculture and Rural Estate District, which requires 2.5 acres and a lot width of 330 foot to meet local zoning to build requirements. The subject property does meet local zoning to build as standalone parcel based on the local zoning ordinance. Interested buyers should contact Otsego Township if interested in building on the property. There is no known contamination on site and the property was acquired and retained by the State of MI (DNR) as it was needed for access to facilitate clean-up activities on adjoining land for treatment, which has concluded. The former A-1 Disposal Corporation (A1DC) in Plainwell was a licensed liquid industrial/hazardous waste hauler, and a treatment, storage, and disposal facility in the 1970s and 1980s. A1DC owned and operated the A1LF as a solid waste disposal facility beginning in the early 1970s. From 1979 to 1986, the operators stored liquid wastes, disposed of drums of waste material, broadcasted untreated liquid industrial waste, and disposed of contaminated sludges. The A1LF property tax-reverted to the State of Michigan (State) in 1989. Between 1989 and 1999, soil and groundwater investigations conducted by the Department of Environmental Quality (DEQ) detected various volatile and semi-volatile organic compounds; metals; and two contaminated groundwater plumes in two different aquifers originating on the property. DEQ geophysical investigations also identified areas of buried drums and underground storage tanks. The DEQ interim response activities included: fencing the landfill; residential well monitoring; and removal of 1,888 buried waste drums, 3 underground storage tanks, and 1,800 tons of contaminated soil. Beginning in 1994, the DEQ installed and operated an interim groundwater purge and treatment system to contain contaminated groundwater on the property. In March 2004, the purge/treatment system experienced a mechanical failure and has not been restarted. The State identified waste generators and arrangers of waste disposal and sent demand letters to potentially responsible parties (PRPs) in November 1999. In 2004, a consent decree was entered with 22 A1LF PRPs, for payment of over \$3 million in past state response costs. With DEQ oversight of contractors, the PRPs have proceeded voluntarily in conducting additional response activities. Sampling in 2004/05, indicated the presence of various volatile and semi-volatile organic compounds and metals in excess of concentrations protective of residential drinking water. Trichloroethylene was 760 times, and cadmium was 125 times, over residential drinking water criteria. Other significant contaminants included ethenes, ethanes, and lead. Additional response activities are necessary at the property to further protect public health, safety, welfare and the environment from landfill contents and the contaminant plumes. The primary potential risk relative to this site is contamination of downgradient residential wells. The DEQ continues to provide funding for monitoring residential drinking water wells. Please direct questions to Ray Spaulding, 517-290-2401, SPAULDINGR1@michigan.gov. <b>Additional Disclosures:</b> 69; 75; 42 (see key for full text)</p> <p><b>Summer Tax Due:</b> TBA</p>		\$80,000.00

Residential Land Use Code: 401. Approximately 60 feet of road frontage along Esther Ave. Building is approximately 1240 sq ft. This property was occupied on last visit. Please use caution and be respectful if visiting property in person. Small grassy front and back yard with a few trees. The house appears to be in overall poor shape from the exterior inspection only. The interior condition is unknown. However looking through some of the windows the house is full of uncomplete construction. Block foundation looks solid but there is evidence of repair work. the exterior walls of the home are bare with vapor barrier visible. Gas and electric meter still hooked up and active. The shingled roof is unfinished with vapor barrier visible. Concrete driveway leads to a detached one car garage that is in fair shape. There is a car port on the property that appears to be partially on the adjacent lot. There is a great deal of debris and construction material all around the home. Multiple vehicles on premise. Dog was present during last visit but was put away. Sits in between two vacant lots. The East lot is partially fenced in with this property. Encroachment issues. Former owner stated the car port would be removed and that they would be attempting to purchase the home back at the auction. This house is going to need a great deal of work to get it into good living condition. This is a fixer upper. Please do your due diligence before placing a bid. <b>Additional Disclosures:</b> 33; 6; 39; 21; 50; 45 (see key for full text)  <b>Summer Tax Due:</b> \$372.94</p>	2131 ESTHER AVE BENTON HARBOR	\$3,728.17

Located in the Benton Harbor Area School District. Residential Land Use Code: 401. Approximately 130 feet of road frontage along Chicago Ave and roughly 78 feet along Butternut St. There is also ~78 feet along a grass alley to the West. Building is approximately 1634 sq ft. This house has been sitting for awhile and looks like its been used as a squatter house for a bit. Doors were wide open during visit. Small mattresses set up in the house. Five bedroom two bathroom. Block foundation looks solid. Furnace and water heater still present so there hasn't been any harvesting. Electric breaker box is a bit messed up but still present. Large basement was damp and there was a bit of mold forming in the house but has not taken over. Some mold in the upstairs bathroom as well. There is debris and personal property all throughout the house. Chain link fenced in yard with a good sized grassy section to the West. Handicap accessible ramp on the front of home. Gas and electric meter still hooked up but are disconnected. House has an odor, most likely from the moisture. Shingled roof needs to be replaced soon. There is a hole above the upstairs bathroom. Vinyl siding looks ok. Vegetation is growing up all around the home and needs to be trimmed back. Some small saplings growing next to the foundation should be removed. This is a large house that will require a good amount of repairs and renovations. Please be prepared to get your hands dirty. 1108	<p><b>Parcel ID:</b> 03-0820-0012-00-3; <b>Legal Description:</b> LOTS 12 &amp; 13 BLK 2 BENTON HARBOR IMPROVEMENT ASSNS 5TH ADD TO CITY OF BENTON HARBOR. <b>Comments:</b> Approximately 0.31 acres. Located in the Benton Harbor Area School District. Commercial Land Use Code: 201. Approximately 100 feet of road frontage along N Fair Ave. Land consists of open grassy space near the road with mix trees on the East portion of the lot. There are grass alleys along the South and East borders. There is a one story home and a small commercial building. Combined approximate 2983 sq ft. The commercial building looks to be in poor shape from the exterior inspection. The interior has collapsing ceilings and appears to be in poor condition as well. The wood exterior is rotting and there is a large hole where the roof transitions. There is a large A/C unit on the roof. Gas meter removed. Electric meter still present but disconnected. Metal security doors and locks have both of the doors locked up tight. The home looks to be in fair condition from the exterior inspection only. Metal security doors and locks. Did not want to cause damage so did not enter the buildings. The block foundation on the front porch of the home is settling and has cracks. Partial brick section of foundation has cracks as well. Electric meter hooked up but disconnected. Gas meter removed. Shingled roof looks ok for its age. Some soffit and fascia damage. Vinyl siding looks fine where visible. Heavily overgrown vegetation along the front and North side of home. There is a grassy section between the house and commercial building. Garage tucked away in the wooded section of the lot. Garage is full of debris and there is a tree limb that has fallen on the roof. Roof is in the process of collapsing. There's a lot going on at this property and it will no doubt be an endeavor. Repairs and renovations will be needed. Please be prepared. <b>Additional Disclosures:</b> 21; 5; 22; 34 (see key for full text) <b>Summer Tax Due:</b> \$684.28</p>	227 N FAIR AVE BENTON HARBOR	\$10,144.95

Adjacent to LOT# 1109. Approximately 105 feet of road frontage along Pine St as well as roughly 125 feet on Chicago Ave. Corner lot. Irregular shaped. This is a great opportunity for an adjacent land owner to increase their property size as well as an ideal setting for a new build. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. <b>Additional Disclosures:</b> 23 (see key for full text) <b>Summer Tax Due:</b> \$103.54</p>	927 CHICAGO AVE BENTON HARBOR	\$4,076.74
1111	<p><b>Parcel ID:</b> 03-1880-0042-00-9; <b>Legal Description:</b> LOT 7 BLK D EAST LAND SUB OF PT OF NW1/4 SEC 21 T4S R18W EXC THE E 38' THEREOF. <b>Comments:</b> Approximately 0.33 acres. Located in the Benton Harbor Area School District. Residential Land Use Code: 401. Approximately 75 feet of road frontage along Eastland Ave. Building is approximately 1065 sq ft. Unfortunately this house is in very poor shape. It looks like multiple large trees have fallen on it causing half of the home to collapse. The back wall has broken away from the home and half the roof has collapsed. Interior has water damage. The roof is sagging a great deal on the other section of the home. This is a dangerous building as it sits. Block foundation has cracking. The exterior of the home has heavy vegetation and some windows have growth showing inside the home. Many broken windows. There is debris inside the home and some in the backyard as well. Electric meter has been removed. Did not see a gas meter. This house is most likely a total loss. Please do you own due diligence before placing a bid. <b>Additional Disclosures:</b> 22; 5 (see key for full text) <b>Summer Tax Due:</b> \$576.08</p>	1774 EASTLAND AVE BENTON HARBOR	\$4,535.48

1112	<p><b>Parcel ID:</b> 03-1950-0104-00-9; <b>Legal Description:</b> LOT 104 EAST LAWN. <b>Comments:</b> Approximately 0.53 acres. Located in the Benton Harbor Area School District. Residential Land Use Code: 401. Approximately 75 feet of road frontage along Territorial Rd. Combined Buildings are approximately 2196 sq ft. This is going to be a fixer upper. The inside of the home is dirty and the floors feel soft and are not even. Foundation has cracks and there are multiple animal borrows heading underneath it. Siding needs repairs. The shingled roof is older and should be replaced soon. There is evidence of repairs on the roof. Possible leak near the front chimney. Two bedroom two bathroom. With one of the bathrooms being built inside one of the bedrooms. Furnace, water heater and 100 amp breaker box still present. Gas and electric meter still hooked up but appear inactive. Concrete driveway leads to a detached on car garage that is in very poor shape. Doors are broken and the roof is nearing collapse. There is a good amount of garbage and debris behind the home. Nice bit of woods behind the home. This house is going to require a deep clean, repairs, and renovations. Please do you due diligence and be ready for some work. <b>Additional Disclosures:</b> 66; 5 (see key for full text) <b>Summer Tax Due:</b> \$831.58</p>	1626 TERRITORIAL RD BENTON HARBOR	\$8,906.61
1113	<p><b>Parcel ID:</b> 03-2050-0003-00-6; <b>Legal Description:</b> THE N1/2 OF LOT 3 ELLIS SUB. <b>Comments:</b> Approximately 0.16 acres. Residential Land Use Code: 402. Located in the Benton Harbor Area School District. No observed structures. There is a creek that runs directly through the property. Most likely unbuildable. It looks like the adjacent house to the North is using the property to park some trailers. Difficult to determine property line. There is a fenced in portion to the West but this could be the neighbors property. Some large trees. Approximately 50 feet of road frontage along Birdie Ave. This is a great opportunity for an adjacent land owner to increase their property size. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. <b>Additional Disclosures:</b> 23; 39; 41; 21 (see key for full text) <b>Summer Tax Due:</b> \$45.49</p>	142 BIRDIE AVE BENTON HARBOR	\$685.59
1114	<p><b>Parcel ID:</b> 03-2490-0012-01-8; <b>Legal Description:</b> LOT 12 FOREST POINT SUB. <b>Comments:</b> Approximately 0.46 acres. Located in the Benton Harbor Area School District. Residential Land Use Code: 401. Approximately 129 feet of road frontage along Echo Rd and roughly ~105 feet along Arrow Wood Curve. Building is approximately 1531 sq ft. Unfortunately this house has been sitting for a long time. The basement has a sump pump that has not been running. Evidence of flooding in the basement. Basement has mold and mildew. The subfloors look like they'll need to be replaced. There were beds in the basement which did not help. Furnace and water heater still present. Electric meter still present but the lines have been cut. Did not see evidence of harvesting but the breaker box is in disrepair. Poured concrete foundation looks really solid so that's a positive. Shingled roof needs to be replaced in the near future. Visible repair patches. Two bedroom two bathroom. House has personal property and debris throughout. Gravel driveway leads to an attached one car garage that's in fine shape. No mold in there. Handicap accessible front entrance. Old shed falling apart in the back yard. If the basement wasn't so bad this would be a nice building. Partial or full rehab will be needed with this one. Its a smaller home so it should be manageable for the right person/people. But this is definitely a fixer upper. Please be prepared for some work. <b>Additional Disclosures:</b> 21; 32 (see key for full text) <b>Summer Tax Due:</b> \$1,364.63</p>	4156 ECHO RD BENTON HARBOR	\$6,634.58

1136	<p><b>This lot is a "bundle" comprised of 3 parcels</b></p> <p><i>(1 of 3)</i> <b>Parcel ID:</b> 10-4560-6436-00-1; <b>Legal Description:</b> LOTS 6436 TO 6441, INCLUSIVE, LAKE MICHIGAN BEACH NO. 2. <b>Comments:</b> This is a bundle of three parcels. When combined they are approximately 0.86 acres with ~260 feet of road frontage along Adams St and roughly ~118 feet along Harrison St. Unfortunately the house has been abandoned for some time now and is completely overgrown with vegetation. It has not been well kept, and it is showing its age. The roof has a major hole and as a result the house has a lot of mold forming. Ceiling has caved in and there is evidence that animals have been living in the home. The basement is very bad. Most of the mold is located here. The main floor hasn't been ravaged yet but its most likely going to require a full rehab. One bathroom two bedroom. Block foundation looks solid. Shingled roof in poor shape. Siding is completely covered in growth. The house is full of debris. This was once a really nice property so it's unfortunate that it was left to fall apart. It deserves to be rehabbed especially since the terrain is so beautiful. Tall mature trees with hills. Plenty of space for children to play and make tree forts. You could finish out the basement add some more rooms and it would be a great family home. Very low traffic. The house is going to require a great deal of work but there is potential here for the right bidder. <b>Additional Disclosures:</b> 50; 5; 21; 66; 63; 32; 49 (see key for full text)</p> <p><i>(2 of 3)</i> <b>Parcel ID:</b> 10-4560-6442-00-1; <b>Legal Description:</b> LOTS 6442 TO 6448, INCLUSIVE, LAKE MICHIGAN BEACH NO. 2. <b>Comments:</b> Approximately 0.33 acres</p> <p><i>(3 of 3)</i> <b>Parcel ID:</b> 10-4560-6528-00-3; <b>Legal Description:</b> LOTS 6528 TO 6533, INCLUSIVE LAKE MICHIGAN BEACH NO. 2. <b>Comments:</b> Approximately 0.27 acres. <b>Summer Tax Due:</b> \$433.20</p>	6347 ADAMS ST COLOMA;  6371 ADAMS ST COLOMA;  6368 HARRISON ST COLOMA	\$7,196.80
1141	<p><b>Parcel ID:</b> 10-4560-6723-00-1; <b>Legal Description:</b> LOTS 6723 TO 6727, INCLUSIVE, LAKE MICHIGAN BEACH NO. 2. <b>Comments:</b> Approximately 0.23 acres. Located in the Coloma Community School District. Residential Land Use Code: 402. Approximately 100 feet of road frontage along Harrison St. Possible still in use. The garage appears to be in good shape from the exterior inspection only. Interior condition is unknown. Wood siding is in decent shape but could use some protective paint. Metal roof looks fairly new. Slab foundation looks solid. Garage doors all look to be in good shape. There is a small slab foundation in front of the garage. A bit of debris surrounds the building. This garage appears to still be in use. The previous owners are on the adjacent lot to the North that has a house. There is a submersed well that is close to the property line. Please do your due diligence before placing a bid. This is a nice property that is being maintained. <b>Additional Disclosures:</b> 33; 21 (see key for full text) <b>Summer Tax Due:</b> \$251.67</p>	6059 HARRISON ST COLOMA	\$2,186.47
1142	<p><b>Parcel ID:</b> 10-4560-6747-00-7; <b>Legal Description:</b> LOTS 6747, 6748 &amp; 6749, LAKE MICHIGAN BEACH NO. 2. <b>Comments:</b> Approximately 0.14 acres. Located in the Coloma Community School District. Residential Land Use Code: 402. No observed structures. Approximately 60 feet of road frontage along Harrison St. Ground slopes up from the road then slopes down. A bit terrain challenged. This is a great opportunity for an adjacent land owner to increase their property size. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. <b>Additional Disclosures:</b> 49 (see key for full text) <b>Summer Tax Due:</b> \$8.54</p>	6137 HARRISON ST COLOMA	\$522.46
1143	<p><b>Parcel ID:</b> 10-4560-6816-00-9; <b>Legal Description:</b> LOTS 6816 &amp; 6817, LAKE MICHIGAN BEACH NO. 2. <b>Comments:</b> Approximately 0.09 acres. Located in the Coloma Community School District. Residential Land Use Code: 402. No observed structures. Approximately 39 feet of road frontage along Harrison St. Ground slopes down from the road but levels out. Some wet land indicators. This is a great opportunity for an adjacent land owner to increase their property size as well as an ideal setting for a new build. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. <b>Additional Disclosures:</b> 41 (see key for full text) <b>Summer Tax Due:</b> \$15.97</p>	6365 HARRISON ST COLOMA	\$627.60

1144	<p><b>Parcel ID:</b> 10-4560-7464-00-9; <b>Legal Description:</b> LOTS 7464 &amp; 7465, LAKE MICHIGAN BEACH NO. 2. <b>Comments:</b> Approximately 0.09 acres. Located in the Coloma Community School District. Residential Land Use Code: 402. The property is located on a platted subdivision road however the road itself has not yet been constructed, and direct access to the lot was not possible at the time of last visit. There is ~40 feet of legal road frontage on Garfield St in the Lake Michigan Beach No. 2 Subdivision. Plat map provided in photos for reference. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. Electric, gas, and phone are in the area but are not established on this portion of unimproved road. <b>Additional Disclosures:</b> 8 (see key for full text)</p> <p><b>Summer Tax Due:</b> \$16.63</p>	6255 GARFIELD ST COLOMA	\$748.00
1145	<p><b>Parcel ID:</b> 10-4560-7984-00-2; <b>Legal Description:</b> LOTS 7984 &amp; 7985, LAKE MICHIGAN BEACH NO. 2. <b>Comments:</b> Approximately 0.09 acres. Located in the Coloma Community School District. Residential Land Use Code: 401. Approximately 40 feet of road frontage along unknown road, possible easement. Building is approximately 1162 sq ft. Unfortunately this house has been sitting for some time and has not been well maintained. There is a hole in the roof that has caused the ceiling to collapse in the main room. Some mold is forming but its localized at this point. House is sitting on posts and blocks. Floors felt a bit soft but seemed solid enough. Water heater still present. Electric meter has been removed and the main lines have been cut. Did not locate a gas meter. Electric breakers and fuses. Some of the walls have been torn down to the studs. House has been mostly cleared out. There is a downed tree limb that blocks the dirt driveway in front of the home. This property needs repairs and renovations but its a small house so it should be manageable. <b>Additional Disclosures:</b> 32; 5 (see key for full text)</p> <p><b>Summer Tax Due:</b> \$233.68</p>	6471 W HAGAR SHORE RD COLOMA	\$6,548.95

Located in the Lakeshore School District. Residential Land Use Code: 401. Approximately 250 feet of road frontage along Wayside Path. Building is approximately 1800 sq ft. Land consists of open grassy space and deciduous forest. Some rolling hills but otherwise level. The house appears to be in fair shape. Third party stated the septic and the well are bad. There was evidence that there was no water inside the home. Multiple water bottles and jugs in the bathrooms. two bedroom two bathroom. The house is full of debris and personal property. Power was still on. Propane tank on side of home. Shingled roof is older but in otherwise decent shape. Block foundation looks solid. Metal siding could use a wash. There are three sheds on the property ranging from collapsing to usable. They are all filled with debris and personal property. Three large trucks were parked on the property during last visit. This house appears to be abandoned but someone is still paying the electric bill. There is an easement through this property. This house is going to require a good amount of work to get it back into good living condition. The house needs work but the property in general is quite nice. Plenty of privacy and forest to mess around in. This property has potential but you're going to have to get your hands dirty. <b>Additional Disclosures:</b> 30; 21; 66 (see key for full text)</p> <p><b>Summer Tax Due:</b> \$1,420.25</p>	5175 WAYSIDE PATH STEVENSVILLE	\$7,178.90

1151	<b>Parcel ID:</b> 12-7180-0001-00-8; <b>Legal Description:</b> LOT 1 SHANE VIEW. <b>Comments:</b> Approximately 0.24 acres. Located in the Lakeshore School District. Residential Land Use Code: 402. No observed structures. This is an odd shaped vacant lot. It looks like it was created when there was a road that curved along the property. But it is now a typical three way intersection. Difficult to determine actual road frontage. Terrain challenged. There is some personal property and debris piled up in the back of the lot. Some landscaping has been done most likely from the adjacent neighbor. This is a great opportunity for an adjacent land owner to increase their property size. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. <b>Additional Disclosures:</b> 21 (see key for full text) <b>Summer Tax Due:</b> \$349.12	PUETZ RD STEVENSVILLE	\$2,337.16
1152	<b>Parcel ID:</b> 13-2100-0071-00-5; <b>Legal Description:</b> LOT 71 EVERGREEN PARK. <b>Comments:</b> Approximately 0.51 acres. Located in the New Buffalo Area School District. Residential Land Use Code: 401. Approximately 54 feet of road frontage along Ravina Way. Building is approximately 1247 sq ft. Unfortunately this house has been sitting for many years and as a result there is a good amount of mold in the basement. Block foundation looks solid. The previous occupants were doing some work on the basement slab. There is a small channel they were digging along the wall of the foundation. Doesn't look like a major issue. Siding is older and there is a great deal of vegetation growing up the side of the home. Shingled roof is old and needs to be replaced. There is soffit/fasica rot and some of the gutters are pulling away from the home. Paved driveway is old. It leads to a small addition on the side of the home. The house is full of personal property and debris. The basement is very full which most likely sped up the mold. Did not see any leaks in the ceiling but water is getting inside the home. No standing water but felt damp in the basement. Two bedroom one bathroom. Small grassy front yard. The property goes far back to the West where the property slopes down drastically and leads to a pond. It's a shame the house hasn't been maintained. It deserves a second life. Please do your due diligence before placing a bid. <b>Additional Disclosures:</b> 32; 21; 5 (see key for full text) <b>Summer Tax Due:</b> \$1,212.84	18358 RAVINA WAY NEW BUFFALO	\$10,411.40

Located in the Benton Harbor Area School District. No observed structures. Being used by some neighborhood kids. Trampoline and a small archway in the back. Approximately 50 feet of road frontage along Pavone St. This is a great opportunity for an adjacent land owner to increase their property size as or could be the site of a new build. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. <b>Additional Disclosures:</b> 23; 21 (see key for full text) <b>Summer Tax Due:</b> \$34.82</p>	554 PAVONE ST BENTON HARBOR	\$1,381.61
1167	<p><b>Parcel ID:</b> 51-0801-0092-00-0; <b>Legal Description:</b> LOT 92 ASS'OR PLAT NO 1 CITY OF BENTON HARBOR. <b>Comments:</b> Approximately 0.18 acres. Located in the Benton Harbor Area School District. Residential Land Use Code: 401. Approximately 50 feet of road frontage along Catalpa Ave and 50 feet along a grass alley to the North. Building is approximately 1162 sq ft. The house appears to be in fair/poor shape from the exterior inspection only. Interior condition is unknown. The former occupants had something odd going on here. All of the windows and doors are covered with black plastic tarps. The house is locked up tight. Some of the windows are boarded. The doors appear to be barricaded from the inside. Was able to open a door but only about an inch before hitting something. Multiple security cameras. My guess is this was a "grow" house in the past but don't quote me. Electric and gas meter still connected but are inactive. Major soffit/fascia rot all around the home. Shingled roof is older and showing major curling and peeling. I wouldn't be surprised if the inside of the home is wet. Vinyl siding looks ok. Block foundation looks fine. Partial paved driveway leads to a handicap accessible ramp for the rear entrance. Grassy back yard with DIY fencing. This is a large home that is going to require a good amount of work to get it back into good living condition. Please do your due diligence and be prepared to get your hand dirty. <b>Additional Disclosures:</b> 33; 21; 5 (see key for full text) <b>Summer Tax Due:</b> \$848.81</p>	135 CATALPA AVE BENTON HARBOR	\$2,779.07

Residential Land Use Code: 402. Located in the Benton Harbor Area School District. No observed structures. Open grassy lot with some trees. A bit of debris on the property but nothing too crazy. Approximately 46 feet of road frontage along Thresher Ave. There is an alley to the South. This is a great opportunity for an adjacent land owner to increase their property size as well as an ideal setting for a new build. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. <b>Additional Disclosures:</b> 23 (see key for full text) <b>Summer Tax Due:</b> \$33.17</p>	718 THRESHER AVE BENTON HARBOR	\$1,132.32
1197	<p><b>Parcel ID:</b> 54-0906-0057-00-1; <b>Legal Description:</b> LOT 5 BLK 3 BENTON HARBOR IMPROVEMENT ASSOC 6TH ADD TO CITY OF BENTON HARBOR. <b>Comments:</b> Approximately 0.13 acres. Located in the Benton Harbor School District. Residential Land Use Code: 401. Approximately 95 feet of road frontage along Buss Ave and roughly ~60 feet along S Hull Ave. Building is approximately 1582 sq ft. Concrete driveway on side of home leads to a slab foundation possibly from an old garage/shed. The house looks to be in overall fair/good shape from the exterior inspection only. The electric and gas meter still hooked up. Electric is disconnected. The house looks like its in the process of being renovated. There are tools and construction materials on the back side of the house. Newer locks have been put on the doors. Didn't want to cause unnecessary damage so did not enter any further than the front porch. Block foundation looks good on the house but the front mudroom/porch needs repairs. Wood siding has lost a lot of paint. Shingled roof is old and should be replaced soon. Some of the windows have been boarded. The interior looks clean but is full of personal property. Occupancy is unknown. This property will need some repairs and renovations but has a lot of potential. <b>Additional Disclosures:</b> 46; 21 (see key for full text) <b>Summer Tax Due:</b> \$737.85</p>	179 S HULL AVE BENTON HARBOR	\$4,031.17
1198	<p><b>Parcel ID:</b> 54-0906-0062-00-4; <b>Legal Description:</b> LOT 5 BLK 4 BENTON HARBOR IMPROVEMENT ASSOC 6TH ADD TO CITY OF BENTON HARBOR. <b>Comments:</b> Approximately 0.12 acres. Located in the Benton Harbor School District. Residential Land Use Code: 401. Approximately 47 feet of road frontage along Buss Ave and roughly ~47 feet along a dirt alley to the South. Building is approximately 998 sq ft. Overall this house is in good shape. It looks like it was a recent flip. Fresh paint. Completely empty other than some construction materials. Two bedroom one bathroom. Block foundation looks solid. Wood siding is decent. Shingled roof looks good for its age. Some of the gutters are drooping a bit. Small front and back yard. Good usable basement. Water heater looks new. Furnace still present. 100 amp break box. Basement was damp but I think a dehumidifier would do the trick. This is basically turn key ready. We don't get many this clean in the auction. House literally smells like fresh paint. <b>Summer Tax Due:</b> \$722.87</p>	710 BUSS AVE BENTON HARBOR	\$3,947.33

1231	<b>Parcel ID:</b> 76-7240-0044-00-6; <b>Legal Description:</b> LOT 44 & THE N 15'OF LOT 45 SOUTHERN HEIGHTS NO 1. <b>Comments:</b> Approximately 0.17 acres. Located in the St. Joseph Public School District. Residential Land Use Code: 401. Approximately 72 feet of road frontage along Morton Ave. Building is approximately 2478 sq ft. This looks like a nice house from the exterior but unfortunately the inside is a mess. Multiple racoons living inside the home. The former occupants were most likely hoarders. This house was very unsanitary even before the racoons took up residence. There are bags of "something" hanging from the ceiling and doorways. Some of the doors are swollen shut. Did not access the basement. This house will require a great deal of work to bring it back into good living condition. It's not a total loss. The bones feel good, but it's going to be an endeavor. Nice concrete driveway leads to an attached two car garage. It is full of personal property and garbage. The shingled roof looks ok, but it appears they just shingled over the previous roof. Brick siding looks nice. Gas meter has been removed. Electric meter still hooked up but appears inactive. Small grassy fenced in back yard. A tree limb has broken off and is rubbing against the corner of the house and roof. This is located in a nice neighborhood and has good curb appeal. It's a shame it's been abused the way it has. It deserves to be repaired and renovated. Will you be the one to do it? Please do your due diligence and be prepared to get your hands dirty. <b>Additional Disclosures:</b> 66; 21; 63 (see key for full text) <b>Summer Tax Due:</b> \$5,135.97	2810 MORTON AVE SAINT JOSEPH	\$20,300.37

Located in the Galien Township School District. Residential Land Use Code: 401. Approximately 186 feet of road frontage along US 12 and 465 feet deep. Combined ~2250 sq ft. The house doesn't look to bad but there are some issues that need to be addressed. The house is full of personal property and debris. Only able to go as far as the kitchen. The floor feels like its about to collapse. It has dropped a few inches from the wall and heavy object are starting to fall through. The house smelled musty but I did not see any black mold. Take that with a grain of salt because there were multiple rooms past the kitchen. Appears to be block foundation with no basement. Water heater was on main floor. Evidence that animals lived in the home. The Shingled roof has some pieces missing and should be replaced. Vinyl siding has overgrown vegetation and needs to be power washed. Dirt driveway leads to a two car garage that is completely full of garbage. There were multiple vehicles parked on the property but this place has been abandoned. Plenty of space behind the home. There are a couple sheds and an old car port. Open grassy with plenty of trees. High traffic area. This house is going to take a good amount of work to get it back into good living condition. Please do your due diligence and be prepared to get your hands dirty. There's potential here but you're gonna to have to work for it. <b>Additional Disclosures:</b> 22; 21; 66 (see key for full text) <b>Summer Tax Due:</b> TBA</p>	3078 US 12 GALIEN	\$12,180.93

9991152	<p><b>Parcel ID:</b> 13-2100-0071-00-5; <b>Legal Description:</b> LOT 71 EVERGREEN PARK. <b>Comments:</b> Approximately 0.51 acres. Located in the New Buffalo Area School District. Residential Land Use Code: 401. Approximately 54 feet of road frontage along Ravina Way. Building is approximately 1247 sq ft. Unfortunately this house has been sitting for many years and as a result there is a good amount of mold in the basement. Block foundation looks solid. The previous occupants were doing some work on the basement slab. There is a small channel they were digging along the wall of the foundation. Doesn't look like a major issue. Siding is older and there is a great deal of vegetation growing up the side of the home. Shingled roof is old and needs to be replaced. There is soffit/fasica rot and some of the gutters are pulling away from the home. Paved driveway is old. It leads to a small addition on the side of the home. The house is full of personal property and debris. The basement is very full which most likely sped up the mold. Did not see any leaks in the ceiling but water is getting inside the home. No standing water but felt damp in the basement. Two bedroom one bathroom. Small grassy front yard. The property goes far back to the West where the property slopes down drastically and leads to a pond. It's a shame the house hasn't been maintained. It deserves a second life. Please do your due diligence before placing a bid. <b>Additional Disclosures:</b> 21; 32; 5 (see key for full text) <b>Summer Tax Due:</b> TBA</p>	18358 RAVINA WAY NEW BUFFALO	\$10,411.40

SEC 21 T07S R15W 1.7 A. <b>Comments:</b> Approximately 1.70 acres. Located in the Edwardsburg Public School District. Residential Land Use Code: 401. Approximately 329 feet of road frontage along Hess Rd and extends roughly ~225 feet deep. One story home built in 1973. Unfortunately it is in poor condition and has been condemned. This property appeared occupied on last visit. Please use caution and be respectful if visiting property in person. Property was freshly mowed and there was a vehicle parked in the driveway. Cat(s) living in the home. There is a great deal of debris, garbage, and other personal property on the premises. The roof on the home looks like flat top material with bricks holding it down. The exterior of the home is deteriorating in a few areas. Lots of debris piled up around the home. The foundation looks solid where visible. Large stone chimney. Concrete parking area next to the home. Gravel driveway leads to a large barn that is in poor shape as well. The exterior walls are bare OSB and are deteriorating. There is a DIY shed in the wooded portion of the property that is in poor shape. The land consists of deciduous forest, grassy open space, mixed trees, and light vegetation. Easily traversable. Surrounded by forest and a handful of inland lakes to the East and North. Hess Rd is not a through road, so there is very little traffic. This property is going to need a great deal of work before it's back in good living condition. Please be prepared. Contact the local zoning/planning department to get more details on the repair requirements for the condemnation.</p> <p><b>Additional Disclosures:</b> 31; 5; 33; 6; 21; 66 (see key for full text)</p> <p><b>Summer Tax Due:</b> \$652.20</p>	65931 HESS RD EDWARDSBURG	\$11,741.86

6903	<p><b>Parcel ID:</b> 14-040-008-002-00; <b>Legal Description:</b> SEC 8 T06S R15W. N 13 1/2 RDS OF W 22 RDS OF E HAF E HAF NE QTR SEC 8. <b>Comments:</b> Approximately 1.85 acres. Located in the Dowagiac Union School District. Residential Land Use Code: 401. Approximately 360 feet of road frontage along M-62. This two story home was built in 1865 and remodeled in 1963 and has a 200 foot well. The house is in overall fair/poor shape. It appears to have been sitting for sometime now and has not been maintained. Overgrown and unkempt. The exterior of the home looks rough. Most of the paint on the wood siding has peeled off. Many boards and other parts of the exterior walls have fallen off and are showing studs and insulation. There is an addition built on the side of the home with block foundation which looks good but the rest of the house is block and there are many cracks and evidence of settling. The basement was wet and the wooden stairs have collapsed at the bottom. Did not enter the basement due to safety concerns. Water heater on main floor with a wood burning stove in the addition. Two bedrooms and a half bath on the second story. Attic space is full of debris. The house has personal property and other debris. Looks like last occupants were moving out. Shingled roof doesn't look bad compared to the rest of the home. There is a small section of the roof above the side entrance to the home that has collapsed. The leak has caused mold to form in this mudroom area but it seems localized here. There was a large amount of bees coming and going from the holes in the home. Some broken windows. Electric meter still hooked up. Partial shared gravel driveway with the adjacent property to the East. Nice wooded section of land on the West portion of this lot. The floors in the home felt uneven and soft. This is a very old house and is going to require a great deal of work to get it back in good living condition. Please be prepared. The land consists of grassy open space, mixed trees, and light vegetation. Sits in between farm land and a home to the East. <b>Additional Disclosures:</b> 34; 22; 5; 21; 32 (see key for full text) <b>Summer Tax Due:</b> \$442.53</p>	56960 M 62 DOWAGIAC	\$3,452.61

There is 420 feet of road frontage on Pine Street in the Saddle Lake Subdivision. The terrain appears to be mostly flat throughout. Densely wooded with mature deciduous trees and thick vegetation, making it somewhat challenging to traverse. The property offers a peaceful, secluded setting for someone who enjoys nature. If you're considering development, please contact the local planning/zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. <b>Additional Disclosures:</b> 8; 69 (see key for full text) <b>Summer Tax Due:</b> \$63.46	51ST ST GRAND JUNCTION	\$1,769.16
6716	<b>Parcel ID:</b> 80-06-422-121-00; <b>Legal Description:</b> SEC 15 T01S R15W. LOTS 21 & 22. BLOCK 21 SADDLE LAKE SUB. <b>Comments:</b> Approximately 0.14 acres. Located in the Bloomingdale Public School District. Residential Land Use Code: 402. The property is located on a platted subdivision road however the road itself has not yet been constructed, and direct access to the lot was not possible at the time of last visit. There is 62 feet of legal road frontage on Oak St in the Saddle Lake Subdivision. Plat map provided in photos for reference. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. Electric and phone are in the area but are not established on this portion of unimproved road. Land consists of deciduous forest and open space. PLEASE NOTE: Previous seller retains mineral rights to subject parcel through deed 1644/25. <b>Additional Disclosures:</b> 8; 27 (see key for full text) <b>Summer Tax Due:</b> \$9.86	SADDLE LAKE SUB GRAND JUNCTION	\$721.55
6717	<b>Parcel ID:</b> 80-07-280-011-00; <b>Legal Description:</b> SEC 15 T02S R17W. LOT 11 MOORE'S SUBDIVISION. <b>Comments:</b> Approximately 0.42 acres. Located in the Covert Public School District. Residential Land Use Code: 402. Approximately 70 feet of road frontage along 32nd Ave and extends roughly 260 feet deep. No observed structures. Although there are the remains of an old foundation but I doubt it is usable. The land consists of open grassy space with a mix of trees some along the West border and some to the South. Ground appears level throughout. Was told by third party that the new zoning regulations would make it difficult to build a large home. Please do your own due diligence. This is a great opportunity for an adjacent land owner to increase their property size and is also an ideal setting for a new build. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. <b>Summer Tax Due:</b> \$26.91	CR 378 COVERT	\$683.66

The land consists of open grassy space and is level throughout. There is a trailer close to the property line may be parked on this lot. Most likely belongs to the adjacent neighbors. This parcel may be best suited for an adjacent landowner who can provide or already has access. If you're considering development, please contact the local planning or zoning department to inquire about building restrictions, such as minimum square footage requirements and other land use regulations. <b>Additional Disclosures:</b> 44; 23 (see key for full text)</p> <p><b>Summer Tax Due:</b> \$123.05</p>	N PAW PAW ST LAWRENCE	\$1,343.02
6737	<p><b>Parcel ID:</b> 80-52-006-001-00; <b>Legal Description:</b> SEC 15 T03S R16W. N 1/2 OF LOT 1 &amp; N 1/2 OF W 16.17' OF LOT 2. BLOCK 6 ORIGINAL PLAT OF HARTFORD. <b>Comments:</b> Approximately 0.16 acres. Located in the Hartford Public School District. Residential Land Use Code: 401. Approximately 100 feet of road frontage along E Linden St and roughly ~66 feet along S Center St. This property was occupied on last visit. Please use caution and be respectful if visiting property in person. Set up as a duplex. The house appears to be in average shape from the exterior inspection only. Interior condition is unknown. This looks to be in older home with stone foundation. The foundation looks solid. Wood siding has lost some of its paint. Shingled roof is older but looks fine for its age. Exterior staircase leads to the second story apartment. Dirt driveway leads to a small shed in the back yard. Shed in fair shape. Slab foundation has some trees growing along it and should be removed before there is damage if its not already. Two electric meters are hooked up and active. Overgrown vegetation covers a good portion of the home and needs to be trimmed. There's a lot of potential here. The house will likely require some repairs and renovations but most of these houses do. Please do your due diligence before placing a bid. <b>Additional Disclosures:</b> 33; 6; 18; 21 (see key for full text)</p> <p><b>Summer Tax Due:</b> \$814.07</p>	101 S CENTER ST HARTFORD	\$22,647.74
6738	<p><b>Parcel ID:</b> 80-52-705-005-01; <b>Legal Description:</b> SEC 16 T03S R16W. LOT 5. BLOCK 5 TRUMAN STRATTON'S ADDITION. <b>Comments:</b> Approximately 0.30 acres. Located in the Hartford Public School District. Residential Land Use Code: 401. 99 feet of road frontage along Mary St and 132 feet along W Shepard. There are some piles of garbage and debris near the East border of the property. It looks like it is on this property and should be cleaned up. While no structures are currently present, there are signs that a structure once existed on the lot but has since been removed. As a result, the State Equalized Value (SEV) may not accurately reflect the current value of the property. The lot is mostly open and grassy, with a few scattered trees along the perimeter. flat terrain. This is an ideal setting for rebuilding or starting fresh. If you're considering development, please contact the local planning or zoning department for detailed information regarding building restrictions, such as minimum square footage requirements and other land use regulations. <b>Additional Disclosures:</b> 23; 42 (see key for full text)</p> <p><b>Summer Tax Due:</b> \$115.60</p>	215 W SHEPARD ST HARTFORD	\$38,411.84

## Additional Disclosures Key

**5:** One or more buildings on this parcel has a roof which is either leaking to the interior or appears close to failure. Failing roofs often indicate substantial structural decay inside the building. You should investigate the integrity of this structure(s) prior to bidding.

**6:** This property is **occupied**. Please respect the privacy of current occupants and limit any inspection to what can be **safely observed from the road**. Some occupants may be upset or angry and may meet contact with aggression or violence. **Please use discretion and caution when researching this or other occupied properties**. Furthermore, although this property has been foreclosed for unpaid taxes, occupants have certain rights under Michigan law and must be formally evicted if unwilling to leave voluntarily. You may wish to consult a licensed attorney for more information.

**7:** This parcel does not front on a public or privately deeded improved road. Often times there are easements in the recorded chain-of-title that provide legal access to such parcels but other times there are not. You should thoroughly research this parcel's access rights prior to bidding. It can require expensive, complicated, and time consuming legal proceedings to secure legal access to landlocked parcels that do not have easements for ingress and egress.

**8:** The roads which are shown on plat or tax maps for this parcel do not appear to exist or may be located in a different location than shown on such maps. While a legal right to build such roads may remain, this construction would likely be very expensive. However, in some instances these unimproved roads have been vacated or abandoned by action of the local government and no such right to construct the roads remains. Issues surrounding unimproved roads can be complicated and expensive to resolve. You should investigate the existence of any roads and the ability to access this parcel thoroughly before bidding.

**9:** This parcel is too small to be practically useful under most circumstances. Many times such parcels are the result of survey or property transfer errors which create small orphaned slivers of land. These parcels are frequently too small to allow construction or any other practical use. They often have no road frontage or legal means of access. These parcels can often lead to **adverse claims or encroachments by neighboring land owners** which can be complicated legal issues to resolve. Please investigate this parcel thoroughly prior to bidding.

**11:** This parcel includes structures which have been damaged by fire. It is up to the auction purchaser to determine if this property can be restored to a safe condition and to comply with all relevant local regulations and building codes. Please research thoroughly prior to bidding.

**12:** This parcel may contain buried storage tanks from previous use as a gas station or similar enterprise. Our analysis is based **solely on visual inspection** of the property surface as further detailed in the lot description. The State of Michigan may require a new owner to remove any remaining tanks and remediate environmental concerns at their sole expense. Additional information about underground storage tanks is available from the State of Michigan [here](#). The Michigan Department of Environment, Great Lakes, and Energy also maintains an interactive mapping tool which tracks known environmental contamination sites and can be accessed [here](#). Please note that this tool only reflects sites which are currently known to the state and may not definitely indicate the absence of buried tanks on this parcel. You should conduct careful and thorough research prior to bidding on this parcel.

**13:** A visual inspection of this parcel indicates **potential environmental contamination**. Visual indicators can include things like used tires, dirty soils, or chemically intensive former uses such as dry cleaning. Prospective bidders should carefully research the condition of this property prior to bidding. You may want to contact the Michigan Department of Environment, Great Lakes, and Energy (EGLE) or other relevant state agencies for additional guidance. EGLE maintains an interactive mapping tool which tracks known environmental contamination sites and can be accessed [here](#). Please note that this tool only reflects sites which are currently known to the state and may not definitely indicate the absence of contamination on this parcel. Purchasers are strongly advised to obtain a **Baseline Environmental Assessment (BEA)**. Some basic information about BEAs can be found [here](#). All sales are made as/is where/is without any representations or warranties. It is the sole responsibility of the purchaser to identify and appropriately handle any environmental contamination that may exist. Please do all necessary research before the auction.

**15:** This lot is part of a condominium development. A condominium is a form of land ownership which is divided up into individual "units." Owners are required to be part of the applicable condominium association (COA) which includes rules and regulations related to the use and ownership of each unit. Additional restrictions will be spelled out in the development's **master deed**. Condominiums also **include association fees** which can be significant. Some condominium units delegate things like exterior maintenance and repair to the COA whereas the owner remains responsible for the unit's interior. However, there are many varieties of condominiums including residential and commercial interior space, condo subdivision lots, condo boat slips, condo campsites and others. Prospective bidders should **carefully review and understand the master deed, COA rules and regulations, and investigate association fees prior to bidding**.

**16:** This parcel is likely subject to ASSOCIATION FEES which are assessed to cover maintenance and other costs associated with the development in which the parcel is located. Interested parties should verify the existence and extent of association fees and costs prior to bidding.

**17:** Mobile homes (and some modular homes) can be separately titled and considered personal property. In these instances, there may be third parties that have the legal right to remove that mobile home from the parcel whether or not it has been assessed as part of the property in the past. We make no representations or warranties as to whether such mobile or modular homes are included with the real property offered for sale. It is the buyer's responsibility to conduct their own research as to the state of title. As a preliminary step, it may be useful to determine if an Affidavit of Affixture of Manufactured Home has been executed and recorded as outlined in [MCL 125.2330i](#). You may wish to consult a licensed attorney or title company to assist in this research.

**18:** The building on this property appears to have been used for multi-family occupancy in the past based upon indicators such as multiple mailboxes, entrances, numbering, layout, or other such factors. Modifications to the property may NOT have been legally made and may NOT conform to local zoning. Prospective bidders should verify with local officials that multi-family use is permitted under existing zoning. In many areas, once a multi-family use has been discontinued, it cannot be reinstated unless in conformance with local zoning and code.

**21:** This parcel appears to contain "personal property" that may be of value. Property tax foreclosure affects *only "real property."* In general, real property includes the land and those things physically attached to it. ***This sale includes only such real property.*** However, some parcels also contain personal property such as cars, furniture, clothing, and other things which aren't physically attached to the land. Such ***personal property is not included as part of this sale.*** It is strongly suggested that the purchaser of this parcel contact the former owner and provide them the opportunity to remove this personal property before disposing of it. Minimum reasonable steps could include sending a letter by certified and first class mail to the former owner at their last known address. However, it is the responsibility of the winning bidder to determine what personal property is present on the parcel and the appropriate measures for handling such personal property.

**22:** This parcel has substantial structural issues caused by poor design, insufficient maintenance, or both. Such buildings may be subject to condemnation orders which we were unable to locate during our inspection. All such buildings should be brought into compliance with local building regulations prior to use. We ***strongly*** recommend that you contact the local building code official and consider consulting a competent structural engineer to assess the condition of this property before to bidding.

**23:** This parcel is located within a municipality which monitors property maintenance and condition. You may be assessed fees and fines if you fail to mow the grass or do not otherwise properly maintain the property after purchase. One advantage to these parcels is that they typically have infrastructure nearby (water, sewer, power). However, you should confirm the availability of such utilities as well as the connection costs prior to bidding. It is your responsibility to determine whether a parcel is suitable for your desired purpose.

**27:** In some cases, a party other than the surface land owner may own the right to explore for and remove oil, natural gas, and other minerals from a property. Such "severed" mineral rights generally include the right to enter upon the surface of the land in order to prospect or remove minerals located beneath the surface. If you are purchasing property of any substantial size (over a few acres), you may wish to investigate whether the mineral rights are included in the sale or if they have been severed and are owned by third parties. Significant mineral interests are held by the State of Michigan. Information about mineral interests held by the State can be found [here](#). Even if not owned by the State, mineral rights may have been sold to third parties or retained by a previous owner. Oil, gas, and other severed mineral interests are not affected by property tax foreclosure. Furthermore, due to the complicated nature of mineral abstracting, such severed interests have not been examined during the foreclosure process. ***Severed mineral interest are not included as part of this sale.*** If the mineral interests have not been severed, such interests *are* included. However, it is the sole responsibility of a prospective purchaser to determine the state of any mineral interests associated with this property prior to bidding. Seller makes no representations or warranties regarding the state of title to any mineral interests associated with this parcel.

**30:** This parcel may be subject to utility, road, driveway right-of-way, or other easements which could allow third parties access to the property. Easements are not extinguished by tax foreclosure and foreclosed parcels are sold subject to these preexisting rights, if any. You should conduct your own investigation into the existence of any such easements prior to bidding.

**31:** This parcel has been posted as "Condemned" by the local building authority. Properties are generally condemned when they are deemed substandard, unsafe, or otherwise unfit for use and habitation. Condemned property ***must*** be rehabilitated to meet local building codes ***prior to use or occupancy.*** A building is not automatically slated for demolition when condemned. However, this does not necessarily mean that demolition will not also be pursued by the local unit. Please check with the local building official before bidding to determine the specific status and requirements for this property.

**32:** This building contains evidence of ***mold.*** Mold is an indication of excess moisture which can come from a variety of sources including high ground water, improper sealing of foundation walls, damaged roofs, and other conditions which can be expensive to correct. Mold can pose significant health risks and, if extensive, may require a complete renovation which could exceed the value of the building. Please conduct your own research and bid accordingly.

**33:** The interior of this property was not viewed during our inspection. Buildings which are dangerous, occupied, boarded, condemned, or otherwise difficult to enter are inspected from the exterior/curbside only. You are NOT authorized to enter these or any other buildings offered for sale. You should limit your inspection to that which can be made safely from the building's exterior.

**34:** The foundation of one or more buildings located on this parcel appears to be failing. Correcting foundation issues can be very expensive and issues are often more complex than they initially appear. You should research this issue thoroughly prior to bidding on this parcel.

**36:** This parcel includes a structure which should be considered ***DANGEROUS.*** This building has suffered structural damage which creates substantial risk of harm from falling through damaged areas or collapse from above. It may also contain extensive debris which could fall or collapse, rusty nails, broken glass, and other hazards. ***You are not permitted to enter this or any other structure offered at tax sale. You should limit your inspection only to what can be safely observed from the building's exterior.*** Trespassers are subject to prosecution.

**39:** This parcel appears that it may be subject to encroachments or may encroach on neighboring property. This assessment is based upon our visual inspection. Not everyone is a surveyor and sometimes buildings, roads, septic systems, wells, or other improvements are built across property lines and may lie partially or wholly upon neighboring

parcels. Please consider a survey and conduct thorough research before bidding on this parcel. All property is sold "as-is, where-is" without warranty based upon the assessed legal description.

**41:** This parcel has surface water, soil, or vegetation conditions indicating that it may include wetland habitat. Such habitat may comprise all or part of the parcel's area. However, it is possible that this parcel contains buildable areas as well. There are many environmental and building regulations related to wetlands which you should consult before bidding on this parcel. The Michigan Department of Environment, Great Lakes, and Energy maintains a Wetland Map Viewer which provides easy access to wetland data and can be found [here](#). It is your responsibility to determine if this parcel is suitable for your desired use.

**42:** Our review of this parcel indicates that the noted State Equalized Value (SEV) does not appear to reflect the current value of the property. This is often due to buildings or other improvements being demolished or fire damaged or other similar items included in the SEV being removed from the property. It can also be due to market changes in the area in which the property is located. It should be further noted that the SEV/assessed value of the parcel as noted in this listing may be several years old. You should consult a local real estate professional or appraiser to help you assess the current market value of this property before bidding and **should not base your valuation on the stated SEV**.

**44:** This property appears as if it may be a side-yard parcel. Frequently homes are located on one parcel and the associated back or side-yard is located on a separate adjacent parcel. These side-yards are sometimes foreclosed while the home is not. This can create unfortunate situations where fenced boundaries, septic tanks, out buildings, garages, and other improvements that were previously associated with the home next door are sold on their own. Such parcels may have value to the adjacent owners but often have little to no value on their own. You should investigate this parcel carefully and understand what you are purchasing before you bid.

**45:** Our inspectors encountered aggressive dogs in the vicinity of this parcel. Please **exercise caution** if you choose to assess this property in person.

**46:** One or more structures was boarded when we conducted our assessment of this parcel. Properties may be boarded for a variety of reasons. For example, properties are often boarded to prevent trespassers from harvesting copper plumbing, wiring, and other fixtures. Buildings may also be boarded by fire or other officials when they present a safety hazard. We generally do not enter boarded structures and limit our observations to the building's exterior. Likewise, you should limit any inspection of this property to its exterior **only**. You are not permitted to remove any boarding to view building interiors under any circumstances. Public property records or polite inquiries to neighbors may reveal additional information about a property's history.

**47:** This property has been subject to vandalism by former occupants or other parties. Typical damage includes broken windows, holes in walls, broken doors and doorjamb, and other damage which can add to the cost of repair and rehabilitation. You should conduct your own research prior to bidding on this parcel.

**48:** This parcel appears to have been subject to harvesting of electrical, plumbing, mechanical systems, or other building components. Buildings are sometimes targeted by criminals that steal or "harvest" items such as copper plumbing, wiring, furnaces, water heaters, fixtures, hardwood flooring, etc. This building should be considered incomplete due to such harvesting and may require substantial investment to reequip.

**49:** This parcel appears to have challenging terrain. Challenging terrain can include steep hillsides, ravines, gullies, or similar topographical features as well as little to no buildable area. Such parcels often have no practical use. You should investigate this parcel's terrain and suitability for your desired purpose prior to bidding.

**50:** The previous owner of this parcel undertook a construction or rehabilitation project which has not been completed. We have attempted to describe the degree to which the project has been finished, but the building should be considered incomplete nonetheless. The local building code enforcement official may be able to offer additional insight as to why the project was never completed.

**53:** This property appears to be an "outlot." An outlot is land in a subdivision that is not intended for use as a building site by the original developer. Outlots may be wetland, terrain-challenged, or otherwise unbuildable. Other times, small outlots are left as future road access to adjacent land in case the subdivision is subsequently expanded. Generally speaking, outlots have characteristics which render them unsuitable as building sites. Please investigate this property carefully prior to bidding to ensure it is suitable for your intended purpose.

**60:** A visual inspection of this parcel indicates that it contains a crop or planting which may have been made by a third party. These can range from single year crops like corn or grain to items such as Christmas trees or other nursery stock which require more than one year to mature before harvest. Any third party lease has been voided through the foreclosure process. However, these situations can become points of potential litigation. In an effort to prevent dispute, the Foreclosing Governmental Unit will often grant single year farmers the right to harvest their crop as a condition of sale.

**62:** This parcel appears to include an area where a mobile home was previously located. Such mobile home pads will frequently include well/water and septic/sewer connections as well as power hookups. However, local zoning regulations may prohibit placing a new mobile home on this site despite the fact that one was previously located here. Please check local zoning regulations carefully prior to bidding. We make no representations or warranties as to the suitability of this parcel for any purpose.

**63:** Pet and/or wild animal waste was observed within this property. Potential bidders should consider that urine stains/odors can be difficult to remove from porous surfaces such as wood floors or underlayment.

**66:** This property is unsanitary and poses a potential health hazard because of raw food garbage, backed up sewer lines, or other similar waste. Such conditions can attract rodents, wild animals, and other vermin. You should bid accordingly and be prepared to mitigate the situation immediately upon purchase.

**69:** This property appears to include one or more obsolete structures. Due to changed circumstances, physical conditions,

or the passage of time, structures can become economically unviable. Such changes may be related to physical condition but may also be the result of things like changed traffic patterns or local economic distress. Prospective bidders should be aware that this property may no longer be suitable for purposes to which it was previously put and should investigate and consider all circumstances prior to bidding.

**75:** The State of Michigan reserves a property right in aboriginal antiquities including mounds, earthworks, forts, burial and village sites, mines, or other relics and also reserving the right to explore and excavate for the same as provided under Article III, part 761 of PA 451 of 1994 as amended.
